

The ultimate husband in Chinese chapter 6761

Chapter 6761:

I saw that Ling Luo was half lying on the stone platform, gently fading her nightdress, and completely exposing the perfect curve to the moonlight. The moonlight cast a halo on her, indescribably beautiful...

Lingluo closed her eyes, raised her hands, and silently felt the moonlight bath.

Crouch!

Seeing this scene, Yue Feng only felt that his brain was buzzing.

What is this stinky girl doing without sleeping in the middle of the night and running to this stone platform? And... There is no cover on the body...

hoohoo!

Just when Yue Feng was secretly surprised, he saw that around Ling Luo's body, a hazy circle of light was formed, and then, the moon spirit essence in the sky continued to converge and merge into Ling Luo's body.

Yue Feng looked at it blankly, and quickly understood something. This Lingluo really absorbs the essence of the moon spirit to improve cultivation.

There are thousands of cultivation exercises in the world, most of which are gradual, but there are also some relatively special exercises, which are mainly based on absorbing the spiritual energy of heaven and earth.

However, this way of absorbing the spiritual energy of heaven and earth, most of them are only popular among spirit beasts, because the physique of people and spirit beasts is very different, and this cultivation method is most suitable for spirit beasts, if people use this method to cultivate, the progress will be very slow.

A few years ago, Yue Feng read an ancient book of Kyushu, which recorded that thousands of years ago, there was a sect that cultivated by absorbing the spiritual energy of heaven and earth, and then disappeared for unknown reasons.

In the thousands of years since, this way of cultivation has never appeared on the rivers and lakes again, but I didn't expect that in this Tianxin Continent, I could see it with my own eyes.

Yue Feng guessed well, Lingluo was absorbing the essence of moonlight. At this time, what he cultivated was one of the great skills of the red flower mother-in-law, the Zen Moon Heart Sutra.

The Zen Moon Heart Sutra is mainly to absorb the essence of the moon spirit, integrate the essence of the moon spirit into the body, and finally achieve the purpose of improving strength, tonight the moonlight is bright, it is a good time to practice.

Although Lingluo is greedy for fun, her cultivation is also very hard, and she rested for a few hours just now, and when she saw that the sky was not yet bright, she came out to practice.

However, to practice this exercise, in order to better integrate into the moonlight, you must not have the slightest cover of your whole body... Therefore, when Ling Luo came out just now, she first took a special look at Yue Feng's situation.

After making sure that Yue Feng slept over, Ling Luo was relieved to cultivate...

However, at this time, Ling Luo did not know that Yue Feng was not asleep at all, he was pretending just now, and his eyes were not blind, and he recovered his vision half an hour ago.

hoo...hoo....

At this moment, Yue Feng was still muttering secretly, and saw that Ling Luo was half-lying down at this time, and her hands were slowly raised above her head, and for a while, the speed of gathering moon spirit essence around her was faster, forming a dazzling aura around her, rapidly rotating.

The dazzling light, reflected on the charming curves of Lingluo, appears silvery white, giving people a holy beauty.

Despite the distance of tens of meters, Yue Feng clearly felt that the power that permeated Lingluo's body at this time was constantly climbing at an astonishing speed....

This exercise is a bit interesting:

Seeing this, Yue Feng couldn't help but secretly sigh, and then thinking of his situation, he also quickly urged the power of the Yuan God to continue to rush through the last two acupuncture paths.

This stinky girl is ruthless, and before dawn, she must find an opportunity to escape, otherwise, tomorrow she may come up with some tricks to torture people.

Making up his mind, Yue Feng stopped looking at Lingluo and rushed silently....

Phew!

After more than ten minutes, Yue Feng's last two acupuncture channels rushed over, and he immediately breathed a long sigh of relief, and the whole person was indescribably relaxed and happy.

Made, the acupuncture passage finally rushed away.

Thinking about it, Yue Feng raised his eyes and looked in the direction of the stone platform, and saw that Ling Luo was still sitting there, absorbing the essence of the moon spirit to cultivate. And depending on the situation, it has reached the most critical time at this time.

haha... Golden opportunity!

Seeing this, Yue Feng smiled secretly and prepared to lift the board and leave.

whoosh....

However, at this moment, Yue Feng heard a breath fluctuation in the direction of the woods behind him, and then several figures broke through the air.

Chapter 6762:

These people were very fast, and they arrived above Yue Feng in the blink of an eye.

I saw that the man at the head, about forty, had a full beard, a pair of eyes flashing with a fierce light, making people dare not look directly, and there was a strong aura around him.

Several accomplices behind the man, each of them is not low in strength, and they are all around the eighth rank.

I go...

Seeing this scene, Yue Feng was secretly shocked, why did so many masters suddenly come to this valley?

Could it be that they are all people with saffron mothers-in-law?

Thinking to himself, Yue Feng was a little depressed, if this was the case, he was afraid that he would not be able to run away.

Although the acupuncture path successfully rushed away, the power of the Yuan God has not yet recovered half, and in this case, it is not the opponent of so many strong people at all.

oh!

At this time, Ling Luo sensed the danger and immediately opened his eyes.

In the next second, Ling Luo saw so many masters coming, and her face suddenly changed, quickly got up, put on her nightdress, and then shouted at the leader of the bearded and bearded: "Who are you?" Dare to trespass in the Falling Goose Valley and find death?

The tone is arrogant and arrogant.

Hearing Ling Luo's tone, Luo Hu's face sank, and he quickly landed in the open space in front of the Honghua Building, and said in a cold tone: "Smelly girl, you are the apprentice of the red flower mother-in-law?" Tell your master to come out and die."

When speaking, his bearded eyes were firmly fixed on the direction of the door on the first floor of the attic, unable to hide his resentment and resentment.

whoosh...

At the same time, several companions with beards also quickly landed and surrounded the doorway.

Damn!

Seeing that she was ignored, Ling Luo was very angry, immediately stomped her foot, flew to the door, stopped in front of everyone with a beard, and said coldly: "My master is not there, you have something to find me."

Ling Luo saw that these people in front of him were here to find trouble, just now cultivating the Zen Moon Heart Sutra, his strength has improved a lot, so he wants to use these people to practice his hands.

However, Na Luo Hu did not look at Ling Luo, and said coldly: "Get out of the way."

The sound is not loud and unquestionable.

haha....

Seeing this, Yue Feng reacted, and a smile appeared on his face.

I thought that these people were with the red flower mother-in-law, and they had been engaged for a long time, it turned out that they were looking for revenge, and they came well, and when you guys fought, Lao Tzu took the opportunity to slip away.

"You... Find death!

At this moment, Ling Luo felt the contempt of the beard, and was extremely angry, and immediately screamed, her body suddenly rose, and a palm hit the heart of the beard.

hum!

This palm, Lingluo almost burst out with full force, the figure passed by, the surrounding air was extremely distorted, and the power was amazing.

Seeing this scene, Yue Feng secretly shook his head. This girl is used to being arrogant, and she will definitely suffer a loss this time.

Yue Feng could feel that the strength of this beard was very strong, not weaker than the red flower mother-in-law, and such an existence was completely easy to teach Ling Luo.

But this girl is ruthless, let her suffer some losses, and collect some lessons.

Thinking to himself, Yue Feng just lay there quietly, watching the situation. Speaking of which, Yue Feng originally planned to take the opportunity to leave, but he couldn't help but want to see the excitement.

Especially the scene where Lingluo, the little witch, was taught, if she missed it, how regrettable.

huh!

Seeing Ling Luo's palm, Luo Xihu snorted coldly, standing there without moving.

In the next second, the beard raised his palm to greet Lingluo.

boom...

In an instant, the palms of the two collided, erupting into a roar, and then they heard Ling Luo snort, trembled, and were directly shocked back dozens of steps.

After stabilizing the figure, Ling Luo stared at the beard tightly, angry and shocked.

This... This person's strength is so strong.

At this moment, the beard said coldly: "Stinky girl, you." It's not my opponent, quickly call your master out.

"You...."

Ling Luoqiao's face turned red and wanted to refute, but she couldn't continue to say one word.

Chapter 6763

Because the other party said well, he is really not an opponent.

“Mu Yunfei...”

At this moment, the voice of the red flower mother-in-law came from the red flower building: “You are also a senior in the rivers and lakes, now bully a little girl, I will be ashamed of you.”

Hum!

The moment the last word fell, a strong aura erupted from the pavilion, and then the red flower mother-in-law flew out and landed firmly at the door.

Seeing the red flower mother-in-law come out, Ling Luo’s face was happy: “Master!”

After shouting, Ling Luo looked at the bearded people viciously: “You all wait for death, I will cut off all your hands and feet.” The tone was extremely arrogant.

In her heart, the strength of the red flower mother-in-law is strong, and no one in the rivers and lakes can match, even if there are many people on the other side, it is not enough for the master to fight.

oh!

At this moment, Luo Xihu and the others, their eyes converged on the red flower mother-in-law, and they did not pay attention to Lingluo at all.

Especially the beard, looking at the red flower mother-in-law’s eyes at this time, full of anger and resentment, like that, I can’t wait to devour the red flower mother-in-law alive.

At this time, the red flower mother-in-law nodded at Ling Luo and asked, “How are you?” Hurt? When I asked, my eyes were full of love.

“I’m okay!”

Lingluo took a deep breath and shook her head.

The red flower mother-in-law relaxed and pulled Ling Luo behind her: “You don’t have to care, Master will deal with it.”

Speaking, the red flower mother-in-law stepped forward and looked at the beard and said, "Mu Yunfei, you are not timid, dare to break into my wife's Falling Goose Valley, do you think you are tired of living?"

Mu Yunfei is a beard.

"old witch!"

As soon as the words fell, Mu Yunfei said loudly: "I came today to eliminate harm to the rivers and lakes, you have done many evil deeds, for the calamity of the rivers and lakes, in the near future, I will take your life to avenge my second brother."

Mu Yunfei's second brother is called Mu Yunhai, and the two brothers do not belong to any sect, but they inadvertently obtained a secret book of exercises ten years ago, and after cultivation, they became masters of the rivers and lakes.

After that, the brothers walked the rivers and lakes, did good and eliminated evil, accumulated a lot of fame, and were recognized heroes in the rivers and lakes, but a month ago, Mu Yunhai encountered the red flower mother-in-law, and the two sides clashed because of one thing, and finally Mu Yunhai was defeated and died tragically under the hands of the red flower mother-in-law.

Mu Yunfei was not there at the time, and when he arrived later, he was furious when he saw his brother's death, and then gathered a few friends from the rivers and lakes to look for the whereabouts of the red flower mother-in-law everywhere.

Until just now, Mu Yunfei finally found the retreat of the red flower mother-in-law, and when he saw the enemy at this time, he was naturally very red-eyed.

huh...

In the face of Mu Yunfei's anger, the red flower mother-in-law looked indifferent: "Your brother is disrespectful to my wife, there is more than enough death, you still have the face to come to take revenge?"

In the eyes of the red flower mother-in-law, the Mu Yunfei brothers do not belong to any sect, they are just scattered people on the rivers and lakes, and they don't need to be put in their eyes at all.

oh!

Hearing this, Mu Yunfei's face changed, and his heart rose with anger, and he immediately howled: "Good, good, I want to see, what can you old demon do to me?" Give back my second brother's life, and you will give me death.

When the words fell, a strong aura erupted from Mu Yunfei's body, and the figure flew up, hitting the red flower mother-in-law with a palm.

The red flower mother-in-law sneered, and had no intention of retreating at all, but quickly raised her hand and collided with Mi Yunfei's palm.

Boom!

In the next second, the palms of the two collided fiercely, erupting with a roar, and the strong internal force fluctuations swept the audience, and I saw Mu Yunfei snort and retreat one after another.

The red flower mother-in-law took two steps back and stabilized her figure.

Obviously, this time the palm force collided, and the red flower mother-in-law had a slight advantage.

Mader!

Soon, Mu Yunfei stood firm, his eyes were firmly fixed on the red flower mother-in-law, and he was secretly frightened in his heart, you know, the palm just now, he urged the eight success forces, but this palm was easily blocked by the red flower mother-in-law.

However, thinking of his brother's tragic death, Mu Yunfei couldn't care so much, and immediately howled: "Old demon wife, next year today is your death period."

When the words fell, Mu Yunfei burst out of power and rushed up again.

Chapter 6764

"Haha!"

Granny Safflower sneered, her tone full of disdain: "If you want my old wife's life, I'm afraid you don't have the skills yet. I'll send you to the underworld to reunite with your brother later.

" After falling, Granny Safflower urged her to move her body and fought fiercely with Mu Yunfei again.

However, although Mu Yunfei's strength was strong, he was still slightly inferior to Mother-in-law Honghua. The figures of the two kept colliding in mid-air, and within a few rounds, Mu Yunfei was suppressed by Mother-in-law Honghua.

"Brother Yunfei, let's help you!"

“Old witch, die!”

Seeing this, several of Mu Yunfei’s companions erupted and attacked Granny Honghua.

Huhuhu...

The helpers that Mu Yunfei found were not weak. When they exploded together at this time, they saw that the night sky was distorted. The power is amazing.

Wow...

In the blink of an eye, several masters cooperated with Mu Yunfei to surround the mother-in-law Honghua.

Haha... Now that’s interesting.

Seeing this scene, Yue Feng couldn’t help cheering up, and at the same time secretly clenched his fists. Brother Zebai almost died in the hands of Grandma Honghua, Yue Feng hated her to the bone, and at this time she wished she was killed by Mu Yunfei and everyone else.

Bang Bang Bang... In

the blink of an eye, Grandma Honghua and Mu Yunfei fought fiercely.

It was seen that the helpers Mu Yunfei had found cooperated tacitly with each other and tightly surrounded Granny Safflower. During this period, Granny Safflower tried to rush out several times, but all failed.

However, Mother-in-law Honghua was strong and ruthless. Although she was surrounded, it was difficult for Mu Yunfei and the crowd to injure her.

In the blink of an eye, the two sides fought fiercely for several rounds. Neither side could do anything about the other, and the situation fell into a stalemate.

“Master, I’m here to help you!”

Seeing this scene, Lingluo was so anxious that she immediately gave a coquettish shout, tapped the ground with her toes, and rushed towards Mu Yunfei and everyone, intending to relieve Mother-in-law Honghua.

Swish!

At the moment of rushing into the air, Lingluo pulled out her long sword and stabbed Mu Yunfei’s heart fiercely.

Feeling the danger coming from behind, Mu Yunfei didn't turn her head back, she knew it was Lingluo's surprise attack, and immediately snorted: "Stinky girl, I didn't care about you before, you really thought I wouldn't dare to kill you." The

voice fell, Mu Yunfei turned around, drew out his long sword and fought against Lingluo.

Dangdangdang....

In the blink of an eye, the two long swords collided in mid-air, making a crisp sound, and seeing Mu Yunfei's move very fast, the long sword was like a dragon going out of the sea, and the cold light of the sword broke out, Lingluo couldn't resist, The beaten backed away.

Shila...

After taking a dozen steps back, Lingluo didn't avoid it after all, and was stabbed in the calf by Mu Yunfei's last sword, blood sprayed immediately, and her delicate body trembled.

"Go to hell!"

Mu Yunfei was so angry at this time that he didn't give Lingluo a chance to breathe. At that time, he shouted loudly, and another sword stabbed at her heart quickly.

This sword was as fast as thunder and lightning, Lingluo could not stand firm and could not dodge at all. At that time, her face was pale and her heart was a little desperate.

It's over, it's going to die.

Thinking to herself, Lingluo closed her eyes unwillingly.

"Huh, hurt my disciple!"

Seeing that Lingluo was about to die under Mu Yunfei's sword, and still fighting fiercely, Granny Safflower immediately shouted, raised her hand to push back the few enemies in front of her, and then raised her hand. With a wave, he hit Mu Yunfei with a hidden weapon.

Whoosh!

The hidden weapon was like a meteor, drawing a cold light, and in the middle of the long sword in Mu Yunfei's hand, he heard a clang, Mu Yunfei's arm was sore and numb, and the long sword also deflected.

Immediately, the hidden weapon was nailed to the door frame of Honghualou, and it was a dart in the shape of a six-pointed star. There is a faint blue luster flowing on the surface, which is obviously poisoned.

It was Granny Safflower's unique hidden weapon, the Soul Chasing Dart.

call!

Reclaiming her life, Lingluo couldn't help taking a deep breath.

At the same time, Granny Safflower said coldly at Mu Yunfei: "Mu Yunfei, don't you want my life? What? If you can't beat me, you just want to take out my apprentice? This is your big brother. Is it the pattern of a chivalrous man?"

His tone was indifferent, but full of mockery.

Swish!

Hearing this, Mu Yunfei was furious and shouted angrily: "Old witch, you are not proud, you will die today." The

voice was recorded, and Mu Yunfei's figure burst out and rushed to Granny Safflower again.

The ultimate husband in Chinese chapter 6765

Chapter 6765

"Master, be careful!"

Seeing Mu Yunfei rushing over, Lingluo couldn't help shouting, her face full of worry.

call!

At this moment, Granny Safflower took a deep breath and said to Lingluo, "You have to worry about Master, you go first and find your second senior sister, hurry up!"

After saying this, Granny Safflower cheered up and continued. Fight fiercely with Mu Yunfei and the others.

At this time, Granny Safflower seemed calm, but she was actually a little flustered. She was not worried about her own safety, but was worried about Lingluo.

Mu Yunfei and his companions cooperated tacitly, and it was difficult to have a chance to win, and they also had to worry about Lingluo's safety.

As long as Lingluo left, he would have no worries.

“No!”

Hearing this, Lingluo shook her head decisively: “I’m not leaving, I want to stay here with Master to defend against the enemy!” While speaking, Lingluo picked up the long sword on the ground and rushed to help.

Seeing this scene, Yue Feng couldn’t help muttering secretly.

Although this little witch is ruthless, she is not afraid in the face of crisis, and insists on fighting side by side with her master, which is not bad.

Thinking to myself, Yue Feng continued to wait and see!

“Stop!”

Before Lingluo rushed up, Granny Safflower scolded: “You dare not listen to the master’s words, go quickly, if you don’t go, I will not have your apprentice!” The

tone was decisive and unquestionable.

This silly girl, if you don’t leave, it will be difficult for both of us, master and apprentice, to escape.

“I...”

In the face of Master’s scolding, Lingluo’s delicate body trembled, and she was a little silly at the time.

She grew up with her mother-in-law Honghua since she was a child. In her heart, mother-in-law Honghua is also a teacher and mother, and she loves her in every way. Come.

However, Lingluo is not stupid. She soon realized that Master did this just to facilitate her escape, and immediately shouted, “Master, take care of you.”

After speaking, she turned and ran towards the woods.

“Want to run?”

Seeing this situation, Mu Yunfei snorted coldly, and immediately chased after him, but was quickly intercepted by Granny Safflower’s long sword.

After intercepting Mu Yunfei, Granny Safflower waved her long sword, and while fighting against a few people around, she shouted at Lingluo: “Go, hurry...”

Huh!

Lingluo took a deep breath and turned back three steps: "Master, you must take care." But because of her leg injury, she couldn't run fast at all.

When passing by Yue Feng, Lingluo tripped over a branch and fell directly to the ground. He couldn't help crying out in pain, then tore off his nightgown and quickly bandaged the wound.

No way, I can't run fast at all. If the opponent catches up, I will become a burden to Master.

At this time, Lingluo thought for a while, and turned her head to see Yue Feng suddenly had an idea.

The next second, Lingluo gritted her teeth and stood up, walked to the front and opened the circular wooden board, and said coldly to Yue Feng: "Stinky turtle, listen to me now, and I will give you a chance to live. "

Speaking, Lingluo quickly shot and tapped several acupoints on Yue Feng's body.

At this time, Lingluo thought that Yue Feng's acupuncture point was sealed, so she untied it for him, but she didn't know that Yue Feng's acupuncture point had already been untied ten minutes ago.

Give me a chance to live?

At this moment, Yue Feng couldn't help sneering secretly when he heard this. This girl is not very old, but she has many tricks, so her words can't be trusted.

Swish!

Just when Yue Feng was thinking about this, Lingluo pulled out the dagger, placed it on Yue Feng's neck, and ordered, "Stand up."

Feeling the coldness on his neck, Yue Feng endured the discomfort and stood up slowly.

As soon as she stood up, Lingluo turned around and jumped onto Yue Feng's back. The dagger in her hand was still on Yue Feng's neck, and she said coldly, "Come on!" As

she spoke, Lingluo turned back from time to time. Look at the situation on the safflower mother-in-law's side.

Yes, Lingluo's leg was injured and she was unable to move, so she planned to use Yue Feng as a means of transportation.

Nima!

At this moment, Yue Feng also reacted, and immediately cursed in his heart. This is treating me like a bull.

While scolding, Yue Feng felt the soft touch on his back, and his mood became a little complicated.
