6866 "Yue Feng!"

In the next second, Rose Wei looked at the large array in front of her, and the complexity on her delicate face could not be concealed: "What is this?" Just now, seeing the master trapped in the fire array, Rose Wei also had a shadow in her heart, and at this time, when she saw the large array in front of her, her heart was very nervous.

Seeing that Rose Wei took the initiative to talk to Yue Feng, Mother-in-law Honghua was very displeased, but she held her identity and did not open her mouth to reprimand.

Call!

Yue Feng breathed a sigh of relief and said slowly: "This is a teleportation array, but it has not been used for a long time, and there is nothing dangerous, so you don't need to be nervous." Hearing

this, Rose breathed a sigh of relief.

At this time, Ling Luo found something and couldn't help but say, "Look, there is also a stone tablet here." "In words, I can't hide my excitement.

After today's events, Yue Feng is almost omnipotent in Ling Luo's heart, as long as he is there, all troubles will be solved.

As he spoke, Ling Luo walked quickly towards the right side of the stone formation.

At this moment, Yue Feng heard the sound and looked, and sure enough, he saw a stone stele standing on the right side of the stone circle, the stone stele was not very high, about three meters, and it was densely carved with words.

This should have been specially carved by the people of the Royal Dragon Gate.

Seeing this, Yue Feng muttered in his heart, and slowly walked over.

Rose hurried to follow.

Swish!

Seeing this scene, the red flower mother-in-law behind suddenly turned gloomy, the two apprentices, both so close to Yue Feng, in other words, no one could stand it, and immediately shouted angrily: "Ling Luo, do you still have me as a master in your eyes?" Not enough to hold on to the teacher?

When she said this, Mother-in-law Honghua glanced at Yue Feng coldly, and her heart was full of murderous intent.

This stinky boy, in just one day, has fascinated my two apprentices like this, and if it goes on like this, will he get it in the future? He must be eliminated as soon as possible.

“Yes, Master!

At this time, Ling Luo had already arrived in front of the stone stele, waiting for Yue Feng to solve his doubts, hearing Mother-in-law Honghua’s reprimand, the smile on his face suddenly froze, and then answered, and reluctantly returned and supported Mother-in-law Honghua.

Mother-in-law Honghua was not finished, and said coldly to Rose Wei: “You go and find a place for Master Wei to rest.” The tone was cold and unquestionable.

Ha ha.....

Seeing this, Yue Feng couldn’t help but secretly laugh.

This red flower mother-in-law is really interesting, just now she was forced to reluctantly agree to my conditions, and she was on fire in her heart, and now she will be angry with her apprentice.

Muttering in his heart, Yue Feng pretended not to hear it, walked to the stone tablet, and looked at it carefully.

“Yes! Hearing

Master’s order, Rose Wei quickly answered, went to clean up a clearing next to it, and then helped Mother-in-law Honghua to rest with Lingluo.

However, Rose’s eyes have been paying attention to Yue Feng’s side, and she wants to know what is written on the stone tablet, but because the master is there, she does not dare to go over to Yue Feng to ask.

“Rose! Seeing

that the apprentice’s attention had been on Yue Feng, Mother-in-law Honghua was very annoyed, and couldn’t help but say coldly: “What did the master say to you before?” How did your senior sister die back then? Have you forgotten?

“Lessons from the past, I hope you can restrain yourself from the precipice.” “

Ugh!

Hearing this, Rose's face instantly turned red, she was a smart woman, how could she not hear the meaning of these words, she bit her lips lightly at that time and whispered: "Master, you misunderstood, I have nothing to do with Yue Feng."

When

she said this, Rose Wei was afraid of being heard by Yue Feng, and her voice was very small and small.

Mother-in-law Honghua snorted coldly, obviously not believing.

"Master!

Rose Wei hesitated and continued to whisper, "I think that this Yue Feng is not a bad person, moreover, he saved Master just now, why does Master keep targeting him?" It's

good that she didn't mention this, as soon as she mentioned this, Mother-in-law Honghua didn't fight a bit, and immediately scolded: "You shut up for me, what do you want for the teacher, do you need to teach me?" How? Do you think that you have done wrong for the master, and now you have to teach the master the lesson? When

she said this, Mother-in-law Honghua was full of anger, and her eyes almost spewed fire. In his heart, he also resented Yue Feng even more.

Damn it!

It's all this Yue Feng, who just forced me to retire to the rivers and lakes, and now even the apprentice helps him speak.

6867 Feeling Master's anger, Rose was terrified, and quickly said: "Master, the disciple does not dare, the disciple does not mean that..."

At this time, Rose was very aggrieved in her heart.

All along, Master has been kind to himself, and he has never been like this, unreasonable reprimanding....

Call!

Seeing her like this, Mother-in-law Honghua took a deep breath, adjusted her mood, and said lightly: "Okay, in the future, you have to listen to Master, so that Master won't blame you, you know?"

Rose nodded, but her heart was indescribable.

At this time, Yue Feng's side.

When he arrived at the stone stele, Yue Feng carefully looked at the inscription on the stone stele, and his heart suddenly became clear.

It turned out that this ancestor of the Royal Dragon Gate, who was from the Divine Domain back then, was originally a divine general of the Royal Heavenly Palace, and because he violated the rules of the heavens, he was demoted to the Tianxin Continent and punished.

And this teleportation array, that is, the Imperial Dragon Gate Ancestor, was originally prepared in order to return to the God Domain, but then there were some accidents, this teleportation array was not completely built, and has been idle until now...

Sighing in his heart, Yue Feng continued to read: "I am within the northwest wall of the formation, sealing a lot of spirit stones... Using spirit stones, you can use the energy of the teleportation array to urge the extreme..." Spirit

stones?

Seeing this, Yue Feng couldn't help but feel a little excited in his heart.

The so-called spirit stones are also a product of the creation of heaven and earth, and like the spirit beast Neidan, in some places where the spiritual energy of heaven and earth is abundant, spirit stones will be produced, and these spirit stones collect the spiritual energy of heaven and earth, which is very rare.

Over the years, Yue Feng has traveled to many places, and he has rarely seen spirit stones, but he did not expect that in this underground crystal palace, a lot of them were sealed.

That's great!

With these spirit stones, when the time comes, it will be more effective to activate the formation.

Thinking about it, Yue Feng showed a hint of a smile, and then quickly walked to the wall in the northwest of the formation, and sure enough, he found that there was a secret door hidden on the wall.

It's just that outside the secret door, a talisman array was deployed.

The rune array and ordinary formations are in the same vein, the only difference is that the rune array is invisible and invisible, invisible and invisible, and requires internal forces and special means to crack it.

However, Yue Feng's attainment of the formation technique has reached a point that is difficult for others to reach, and it is simply difficult to fail.

Call!

At this moment, after Yue Feng detected the law of the talisman array, he immediately took a deep breath, silently urged the power of the Yuan God, and began to crack the talisman array. Soon, Yue Feng was so engrossed that he completely forgot what was outside his body.

Seeing this scene, Ling Luo and Rose Wei not far away looked at each other, both secretly surprised.

What happened to Yue Feng?

What is he doing standing in front of a wall?

The sisters couldn't sense the talisman array on the wall, so seeing Yue Feng standing there motionless at this time, they were all a little curious.

The corners of Mother-in-law Honghua hooked up, revealing a sneer.

Here comes the opportunity.

Mother-in-law Honghua was a top powerhouse in the Tianxin Continent, and Ling Luo and Rose Wei couldn't see it, but she clearly felt that Yue Feng at this time was urging his power to crack something.

Moreover, with such full attention, wouldn't it be a great opportunity for a raid?

Airplanes!

At this time, under Yue Feng's cracking, he saw a tremor coming from the wall, and then a light flickered, and a secret door appeared on the wall.

Yue Feng was sweating profusely, because his strength had not fully recovered, he had cracked the talisman array just now, but he had consumed a lot of Yuanshen power, but his mood was very excited.

The talisman array will soon be cracked, and you will be able to get the spirit stones inside immediately.

This...

Seeing the secret door that appeared on the wall, Ling Luo and Rose Wei were both delicate and shocked.

On this wall, there is a hidden door.

And also... How did Yue Feng find out? What is his means just now?

“Stinky boy, go and die!

However, at this moment, Mother-in-law Honghua burst into a shout, and the whole person, like an eagle vulture, suddenly burst out and quickly rushed towards Yue Feng.

Mother-in-law Honghua could see that Yue Feng at this time was the key moment to crack the talisman array, and immediately made a move without hesitation.

Airplanes!

In the blink of an eye, Mother-in-law Honghua rushed behind Yue Feng, bursting out all the remaining internal force in her body.

6868 Speaking of which, she was trapped in the Xuanxian Fire Array before, and Mother-in-law Honghua's strength had been exhausted, but after being saved by Yue Feng, she took a pill.

And just now, under the care of Ling Luo and Rose, Mother-in-law Honghua recovered a little more.

However, Mother-in-law Honghua was confident enough to kill Yue Feng when he was defenseless.

Marde!

At this time, Yue Feng was about to completely break the talisman array, and suddenly felt the danger behind him, and immediately his heart was shocked, and when he turned back and saw the red flower mother-in-law attacking, he was even more angry: “Old demon woman, you dare to...” This

old demon woman is so hateful, I only saved you half a moment ago, and as a result, you turned around and came to raid me.

“Stinky boy!

Mother-in-law

Honghua was full of hideousness, and her eyes could not hide the resentment and viciousness, and said coldly: “You forced my wife to not set foot in the rivers and lakes, and you still want to confuse my two apprentices, how can I spare you?”

“Today next year, it’s your death day, go and die.” “

Buzz!

When the last word fell, Mother-in-law Honghua burst out with all her strength, and slapped a palm towards Yue Fenghou’s heart.

Nima!

Hearing this, Yue Feng’s anger surged, and at this time, he finally understood that this Honghua mother-in-law had not planned to reconcile with herself from the beginning, and the conditions she had just agreed to were only temporary.

“Master...”

“No, Master! Seeing

this scene, Ling Luo and Rose Wei both trembled, and then couldn’t help but exclaim. They also did not expect that Master would raid Yue Feng at a critical moment.

At this time, Rose, her delicate face, was full of anxiety and complexity, and couldn’t help but persuade: “Master, don’t be impulsive, what is there to discuss, why...” Rose

Wei is kind-hearted and acts with her own principles, although Mother-in-law Honghua is the master, but Yue Feng just saved her life before, and now the master will take revenge, how to say this , I can’t say it.

When the words fell, Ling Luo couldn’t help but shout: “Master, you don’t want this...”

Mother-in-law Honghua was already angry, and when she heard the persuasion of the two apprentices, she was even more angry, and immediately shouted angrily: “Both of you shut up for me, no matter how verbose you are, don’t recognize me as a master in the future..”

The moment the words fell, this palm had already reached Yue Feng’s back.

Rumble!

At this time, Yue Feng, his hands were still on the wall without withdrawing, there was no time to dodge, and he was directly hit in the back of his heart by this palm, and he heard a dull, Yue Feng’s blood sprayed wildly, and the whole person was directly shocked out.

Poof!

After flying for more than a hundred meters, Yue Feng finally slammed into the ground, and a sharp pain came from his body, almost fainting.

Ma De, fortunately, I have the Dharma Red Lotus Protective Body, otherwise, this palm will really send me back to my hometown.

Yue Feng took a deep breath, and couldn't help but curse secretly in his heart, at this time, he clearly felt that the qi and blood in his body were churning, and the power of the Yuan God was almost disordered.

Pedal on...

And after Mother-in-law Honghua tried her best to slap a palm, her body also stumbled back, and her face could not hide her weakness.

The palm just now consumed her hard-to-recover strength.

What the?

After stabilizing her figure, seeing that Yue Feng was not dead, Mother-in-law Honghua's face changed and she was shocked.

This kid's life is so big?

So it didn't die?

At this time, the red flower mother-in-law did not know that Yue Feng not only had the Yuan God, but also the Dharma Red Lotus Protective Body, which offset her palm power, otherwise, she would have died just now.

At the same time, Ling Luo and Rose were also pleasantly surprised.

Great, Yue Feng is not dead...

It was simply a miracle that he actually blocked Master's all-out blow.

"Ahem..."

At this time, Mother-in-law Honghua leaned against the wall, first coughed a few times, and then looked at Yue Feng tightly, with a trace of sinister in her eyes: "Good boy... Your life is really hard enough, so you won't die..." Yue

Feng's face turned pale, and he sneered: "It's not that my life is hard, but that evil has been invincible since ancient times."

“I saved you before because I thought you could repent, but I didn’t expect that your heart would be so cruel, and I blamed me for being too merciful, and I should have been burned to death in the fire array just now.” ”

Chapter

6869 When he said this, Yue Feng’s tone was ling, but his face was pale and very weak.

Speaking of which, Yue Feng at this time, the situation is much worse than that of Mother-in-law Honghua, the power of the Yuan God in the body has begun to be disordered, if it cannot be stabilized, the situation will be even worse.

Swish!

Seeing that Yue Feng still dared to mock herself at this time, Mother-in-law Honghua’s face changed suddenly, and her eyes were extremely resentful: “Very good, you dare to give me a hard mouth.”

Saying that, Mother-in-law Honghua turned her head and said to Ling Luo and Rose: “You two, go over and kill him, quickly!” As she spoke, Mother-in-law Honghua’s eyes were full of urgency.

She could see that although Yue Feng was not dead after being slapped with a palm, he was extremely weak at this time, no different from ordinary people, even a person without skills could easily kill him.

Speaking of which, Mother-in-law Honghua really wanted to do it herself, but she also needed to rest herself, so she could only let the two disciples do it for her.

What the?

Hearing this, whether it was Ling Luo or Rose, their bodies trembled, and their brains buzzed.

Master... Master wants us to kill Yue Feng?

Soon, Rose reacted and shook her head instinctively.

Ling Luo also bit her lips, her heart was extremely entangled, and said to Mother-in-law Honghua: “Master, you have already slapped him just now, I see.... Forget it, when is retribution for wrongs? “

If it had been a day ago, Ling Luo would have pulled out his long sword without hesitation and killed Yue Feng. It's just that since last night, having experienced so much with Yue Feng, Ling Luo really can't get off the ground.

After all, Yue Feng had saved her life many times.

Call!

Yue Feng was originally nervous, but when he saw the reaction of the sisters, he was immediately secretly relieved.

OK... These sisters are sensible enough to be less unreasonable than Mother-in-law Honghua.

"You two bastard stuff! Seeing

that they refused to make a move, Mother-in-law Honghua was so angry that she couldn't help but curse: "Master's words are gone, do you still want to recognize me as a master?"

"As long as you still recognize me as a master, go over and kill him, do you also want to be like me, you can't set foot in the rivers and lakes for the rest of your life?" Faced

with this situation, Ling Luo looked tangled and kept shaking her head.

Rose Wei also clenched her hands tightly, her palms were sweaty, her eyes were red, and she almost cried: "Master... I... I really can't get my hands on it! "

Without Yue Feng, I am afraid that I and the little junior sister died at the hands of that Yue Wei last night, and it is even more impossible to find here and see Master.

In other words, Yue Feng was the benefactor of his three masters and apprentices, and now, the master wanted to kill him.

This... It really can't be done.

"You..." Seeing

this, Mother-in-law Honghua almost fainted, and stared at Rose at that time: "Rose, give you one last chance for the master, you are the senior sister, you go and kill!" The

tone was harsh and unquestionable.

Rose Weijiao's body trembled, and she subconsciously shook her head: "Master, I... I can't! Although

her master's life is difficult, she wants to stick to her principles.

“Good, good! Seeing

the two apprentices, who were always unwilling to make a move, Mother-in-law Honghua looked fierce, and her eyes were blood-red: “From now on, you are no longer my apprentices.” “

What?

Hearing this, Ling Luo and Rose Wei both trembled in their hearts.

Without waiting for them to react, Mother-in-law Honghua pulled out a dagger and stared at Yue Feng viciously: “None of the people my wife wants to kill can escape, and today you will die.” When

the words fell, Mother-in-law Honghua held the dagger tightly and walked towards Yue Feng step by step.

Seeing this scene, Ling Luo and Rose Wei were a little overwhelmed, and their minds were buzzing, echoing the desperate words of Mother-in-law Honghua just now.

Marde, what a madman.

Watching Mother-in-law Honghua come step by step, Yue Feng couldn't help but scold secretly, and at the same time felt a little panicked in his heart.

The palm just now, although it did not kill Yue Feng, it also hit him hard, and at this time, he didn't even have the strength to stand up, and he had no ability to fight back.

Soon, Mother-in-law Honghua arrived, her eyes full of resentment and cruelty: “Go and die!” The

words fell, and the dagger in his hand suddenly stabbed towards Yue Feng's heart.

Finished!

At this time, Yue Feng had no chance to dodge at all, and watching the dagger stab, his heart suddenly felt a little desperate.

The ultimate husband in Chinese chapter 6870

6870 died at the hands of this old demon woman, that was also too humiliating.

“Master...”

“Master, don’t..”

At this time, Ling Luo and Rose Wei reacted, exclaimed one after another, and rushed over to stop it, but it was too late.

“Roar...” Seeing

that Yue Feng was about to be stabbed by a dagger, suddenly a dragon groan sounded, and then a huge figure circled over, it was the dragon he had seen before.

Seeing the dragon appear, Ling Luo and Rose Wei were both delicate.

Call....

At the same time, Mother-in-law Honghua was also stunned there, staring at the dragon closely, her eyes flashing with jealousy.

It was only after being raided by this dragon before that she fell to the bottom of the lake and was finally trapped in the Xuanxian Fire Needle, so she knew the horror of this dragon.

It’s just that I didn’t expect that at this critical moment, the dragon suddenly appeared.

“Daring!

In the

blink of an eye, Jiaolong arrived in the sky above the formation, his gaze coldly locked on Mother-in-law Honghua, and he spat out words: “Dare to be unfavorable to Your Excellency Yue Feng, and you will never forgive!” “

Before being injured by Yue Feng’s Dharma Red Lotus, Jiaolong went to recuperate and recover, and after recovering, he came to look for Yue Feng, but as soon as he arrived here, he saw that Mother-in-law Honghua was about to strike at Yue Feng.

In the eyes of Jiaolong, Yue Feng is the dragon lord of the Shenlong clan, sacred and inviolable, naturally he cannot let Mother-in-law Honghua behave.

Your Excellency Yue Feng.....

Seeing the dragon spit out words, Mother-in-law Honghua was shocked in her heart, and when she heard its name for Yue Feng, her brain was buzzing, almost blank.

You know, in the cognition of Mother-in-law Honghua, Jiaolong has always been untamed and will never yield to humans, and now it is naturally surprising that Yue Feng is so flattering.

Airplanes!

The dragon did not give Mother-in-law Honghua a chance to think, at this time, the strength of the surrounding body exploded, and then the blood basin opened widely, and a flame spewed out, shrouding towards Mother-in-law Honghua.

“Master be careful! “

Master..”

Seeing this, Ling Luo and Rose Wei were taken aback, exclaimed one after another, and wanted to rush over at the same time, but it was too late.

If Mother-in-law Honghua is in her peak state, she can easily avoid this fire.

However, she had almost exhausted her strength by raiding Yue Feng before, and at this time, in the face of the flames, there was no time to dodge.

“Ah...” In

the blink of an eye, Mother-in-law Honghua was directly enveloped in flames, and there was a scream at that time, and the whole person burned directly. The burning sore spot of the fire made Mother-in-law Honghua’s old face even more distorted.

“Help: Help...” Mother-in-law Honghua screamed while rolling on the ground, trying to crush the fire on her body, but this flame was not an ordinary fire, but the dragon’s breath flame, which could not be extinguished at all.

“Master...” Seeing

this, Ling Luo and Rose Wei were anxious, shouting and rushing up, but when they arrived, they felt the scorching flame, and they were all at a loss.

“Ahhh... Lingluo, Rose, quick... Save me ..” Mother-in-law Honghua kept screaming, looking at the two apprentices, her eyes full of longing for life.

At this time, Mother-in-law Honghua completely lost her previous arrogance and ruthlessness, and only fear and helplessness remained in her eyes.

“Wow!

Seeing this scene, Ling Luo burst into tears and said to Rose, “Senior sister, what should I do?” What to do, Senior Sister.....” Watching Master being burned but unable to do anything about it, it felt even more uncomfortable than killing her.

Rose Wei was also panicked, and turned her head at Yue Feng and said, "Yue Feng, please save my master... Please! "

Poof!

When the words fell, Rose Wei's legs softened, and she knelt directly in front of Yue Feng, constantly kowtowing.

She knew in her heart that she was doing this because it was difficult for a strong man, after all, just now the master still wanted to kill Yue Feng, but now there was really no way, only Yue Feng could save the master.

Alas!

Listening to Rose's pleading, Yue Feng sighed in his heart and slowly said, "This dragon spit out the dragon breath flame, I can't save her!"

When

he said this, Yue Feng looked at the red-flowered mother-in-law who was full of fire, her expression was indifferent, and there was no fluctuation in the slightest.

This red flower mother-in-law was ruthless, first she almost killed Gu Qianqiu, and just now she took revenge, and at this time she was burned by the dragon, which was also self-inflicted and did not deserve sympathy.
