Chapter 6886 However, at this time, Xu Shangzhi clearly felt that this Li Muchen, like Gu Qianqiu, had not recovered from his injuries,

and was very weak.

In this case, Xu Shangzhi naturally did not panic.

“Dog stuff! Seeing

Xu Shangzhi burst out, Li Muchen was furious, and immediately scolded: “A lackey, dare to spread wild in front of the old man? Saying that, Li Muchen was about to greet him.

However, before he could make a move, he was stopped by Yue Feng.

“Senior Li, this kind of villain let me deal with it. After

saying this sentence coldly, Yue Feng’s figure flashed, please take a step to meet Xu Shangzhi.

Airplanes!

When he arrived, Yue Feng used the power of the Yuan God, and his right palm swung out like lightning, slamming it on the long sword with a thunderous momentum.

In an instant, a dull sound sounded, and I saw Xu Shangzhi’s body tremble, and at that time, I only felt a terrifying force coming, and the long sword flew out of my hand, and then the whole person snorted and was directly shocked out.

Bang!

Flew more than ten meters away, and finally Xu Shangzhi hit the mountain wall, a mouthful of blood spurted out, and his face turned pale.

Speaking of which, Yue Feng’s Yuanshen power has not been completely restored, otherwise, under this palm, Xu Shangzhi has already entered the ghost gate.

“Poof...”

After

landing, Xu Shangzhi spurted out another mouthful of blood, staring at Yue Feng at that time, shocked and angry.

Ma De, I thought that I could take this opportunity to show myself in front of Sect Master Xiao this time, but I didn’t expect that this kid named Yue Feng was so strong....

Hiss!

Seeing this scene, the elite disciples present couldn't help but gasp and looked at Yue Feng's gaze, revealing deep jealousy.

This Yue Feng's strength is so terrifying?

Lord Xu Altar is the strength of the seventh grade, but he can't even catch a move....

"Xiao Jue!

Yue Feng ignored the gazes of the surrounding disciples, stared at Xiao Jue closely at this time, and said word by word: "What is the truth, you and I know it in our hearts, I advise you to stop in time and turn back to the shore." When

the words fell, Red Peony also looked around, looked at the disciples present, and said seriously: "What's going on with you?" Are you blind all your eyes? The ancient sect master is here, but you help this traitor..."

Hearing this, the disciples present all looked at each other, one by one, dark and complicated, and their hearts were also hesitant.

Don't.... Is this really the ancient sect master in front of you?

No, the ancient sect master was already dead in Qingyun City before, and many disciples saw it at that time.

"Don't listen to these nonsense. Seeing

that all the disciples were hesitant, Yan Bingyu, who had been silent, finally couldn't help it at this time, and quickly walked out and shouted: "This is not Gu Qianqiu at all, they are looking for someone to fake it."

"These people want to subvert the Heavenly Dao, and their hearts are damned.

Saying that, Yan Bingyu stared at Yue Feng coldly: "You shameless person, I will not spare you today." Thinking of being teased by Yue Feng on Yunxi Mountain, Yan Bingyu couldn't restrain his anger.

Hehe...

Facing Yan Bingyu's anger, Yue Feng did not panic at all, but smiled slightly: "Good girl, it's only been a few days, and you're going to beat and kill me, it's a little inappropriate."

"

This Yan Bing language is really interesting, so many days have passed since the matter of Yunxi Mountain, and it is still lingering.

Swish!

It's good that Yue Feng didn't mention this, as soon as he mentioned this, Yan Bingyu was embarrassed and angry, and his face instantly turned red: "You are looking for death!"

At this moment, Xiao Jue was too lazy to talk nonsense, and said coldly to the disciples present: "What are you doing stunned one by one?" Take them down. "

Boom!

Hearing the order, the disciples present reacted one by one, urged their internal forces, and rushed towards Yue Feng. These disciples had a preconceived idea, and at this time believed that the ancient Qianqiu in front of them was a fake.

"A bunch of idiots!

Looking at the disciples who rushed up, Li Muchen was anxious and angry, knowing that it was useless to explain at this time, he immediately cursed and greeted him.

Call!

At this moment, Yue Feng also took a deep breath and said to the red peony and flying snow behind him: "Feixue, red peony, you are optimistic about Big Brother Gu." "Gu Qianqiu has just woken up, and although he has taken the pill, it is not appropriate to use his strength at this time.

When the words fell, Yue Feng's figure flashed, and he rushed up to fight fiercely with all the disciples.

6887 Huh?

Feixue and Red Peony answered and quickly guarded Gu Qianqiu's side.

At this time, Feixue seemed to be protecting Gu Qianqiu, but his attention was always on Yue Feng and Li Muchen in the battlefield.

She was waiting for the opportunity, and after Yue Feng and Li Muchen were completely trapped, she would raid Gu Qianqiu.

Gu Qianqiu and Red Peony, their attention was also in the battlefield, and they did not notice that something was wrong with Feixue.

Bang bang bang...

At this time, in the battlefield, Yue Feng and Li Muchen worked closely together, their figures flashed fast and lightning, constantly shuttling back and forth in the enemy masses, and in less than a few seconds, many disciples fell.

Of course, Yue Feng and Li Muchen knew that these disciples were temporarily confused, so they did not kill the killer.

Because of this, the two have the upper hand, but they have been besieged by the group.

“Sect Master! Seeing

this, Red Peony was a little anxious, and his delicate face couldn't hide his worry: “What now?” Or let's withdraw first. “

The strength of Yue Feng and Li Muchen is not weak.

As long as they escorted the sect master to leave, they had no worries in their hearts and could easily get out.

Call!

However, Gu Qianqiu took a deep breath and shook his head: “No, I can't leave Brother Yue Feng and Elder Li alone. Saying

that, Gu Qianqiu will urge his strength to join the battlefield.

However, he had not fully fused the power of the elixir, and at this time, he forcibly urged the power, and suddenly felt a sharp pain spread throughout his body, and his face instantly turned pale.

Seeing this, Red Peony immediately exclaimed, and quickly helped Gu Qianqiu: “Sect Master, don't be impulsive.”

Then, the red peony rushed at Feixue and said, “Feixue, you go and help, I'll watch from the sect master's side.” “The sect master didn't want to leave, so he could only bite the bullet.

“I...” Feixue

had been waiting to raid Gu Qianqiu, completely unexpected that Red Peony would let her participate in the battle, and hesitated at that time, instinctively refusing.

Just as soon as he said a word, Red Peony continued: "Sect Master here I watch, you go and help, quickly..." At

this time, Red Peony did not notice anything wrong with Feixue, and only hoped that she would go up to help.

"Good! Faced

with this situation, Feixue was not easy to refuse, nodded immediately, and then flew up and rushed into the crowd to help Yue Feng and Li Muchen against the enemy.

Seeing the situation here, Yan Bingyu frowned secretly.

In the next second, Yan Bingyu whispered at Xiao Jue: "Master, the situation has changed, what should I do?" "

The original plan was to let Feixue find an opportunity to raid Gu Qianqiu, but now Feixue is forced to join the battle because of the situation, which makes Yan Bingyu a little unexpected.

Call!

Xiao Jue was dark and dignified, and at this time he took a deep breath and said, "Don't panic, everything is still under control." Gu Qianqiu was injured and now very weak, and it was easy to kill him. Saying

that, Xiao Jue looked at Gu Qianqiu, and his eyes were full of coldness.

Hearing this, Yan Bingyu calmed down, and then jumped up: "In that case, I will go and kill him." When the words fell, Yan Bingyu pulled out his long sword, and was about to rush forward and move towards Gu Qianqiu.

But before he rushed over, he was stopped by Xiao Jiao.

"You stand down. Xiao Jue's eyes flickered, and he said lightly: "For the master, I have to do it myself." "

Twenty years of grievances, Xiao is never willing to pretend to others.

"Yes, Master! Seeing

the light in Xiao Jue's eyes, Yan Bingyu understood, immediately put away his long sword, and retreated to the side.

Xiao absolutely did not say nonsense, slowly walked towards Gu Qianqiu, and said coldly: “Boy, you are not small, dare to fake Gu Qianqiu, just now the old man has given you a chance, but you are obstinate, then the old man is no wonder.” “

Buzz!

When the words fell, Xiao Jue’s figure burst out, like meteor lightning, and hit Gu Qianqiu with a palm.

Marde!

Seeing Xiao Jue rushing towards him, Gu Qianqiu’s face sank, and his heart was very angry.

This Xiao is really cruel enough, at this last moment, it is necessary to reverse black and white... Thinking about it, Gu Qianqiu wanted to dodge and dodge, but his strength could not be urged, and he could only watch Xiao Jue quickly approach.

Nima!

Seeing this scene, Yue Feng and Li Muchen’s faces changed, and they wanted to come over to help, but they were surrounded by dozens of disciples, and they couldn’t rush at all.

At the same time, the red peony guarding Gu Qianqiu’s side also changed his face, and he couldn’t help but exclaim.

Immediately, Red Peony bit her lip tightly and quickly rushed over, blocking Gu Qianqiu behind her and meeting Xiao Jue.

At this time, the red peony did not dare to be careless, and urged all the power to resist.

Bang!

In the next second, the two palms collided fiercely, and the red peony only felt a terrifying force coming, and immediately snorted, and the delicate body was directly shocked back more than ten steps.

After stopping, the red peony’s face turned pale and miserable, and the blood in his body was even churning.

So strong!

Red Peony bit her lip tightly, looking at Xiao Jue, and her heart was extremely shocked.

This Xiao Jue, the strength is really terrifying, and he tried his best to barely block this palm.

“Red peony! At

this moment, both Yue Feng and Li Muchen couldn't help but shout, and they both sweated for the red peony in their hearts.

Red Peony took a deep breath, calmed the churning of qi and blood in his body, and then said, “I'm fine.” The words fell, and he rushed over again, blocking in front of Gu Qianqiu.

Gu Qianqiu looked complicated: “Red Peony, you are not his opponent, retreat quickly.”

“Nope!

Red Peony bit her lips tightly, her delicate face full of determination: “I must not let him hurt the sect master.” Seeing

her resolute attitude, Gu Qianqiu was moved in his heart.

Even Xiao Jue was slightly moved, looking the red peony up and down, nodding approvingly: “Girl, you can actually block my palm, it's good.” You stand down, I won't hurt your life. “

In Xiao Jue's heart, his ultimate goal is to get rid of Gu Qianqiu, it doesn't matter if this red peony kills or not.

Call!

However, Red Peony did not have the slightest gratitude, but looked at Xiao Absolutely: “With me here today, I will never let you hurt the sect master by half a point.” “

The voice is delicate, but unquestionable.

Xiao Jue's face changed: “Well, since you are looking for death, then the old man will complete you.” “

Ugh!

The last word fell, Xiao Jue raised his hand and waved, and a long sword appeared in his hand.

I saw that this long sword was black all over, and it was made of cold iron, mixed with a special black gold sword, which was a rare weapon on the Tianxin Continent.

As soon as the Wujin sword came out, the temperature of the entire canyon plummeted.

“Red peony! Seeing

Xiao Jue show the Wujin Sword, Gu Qianqiu’s face changed, and he immediately said, “You quickly retreat.” “

That palm just now, Red Peony barely caught it, now Xiao Jue showed the weapon, how could she block it?

However, Red Peony had already made up his mind, and he couldn’t hear Gu Qianqiu’s words at all.

Call!

At this time, feeling the powerful power fluctuations that permeated Xiao Jue’s body, Red Peony took a deep breath, and then gritted his teeth and pulled out the long sword he was carrying.

“Smelly girl, you asked for it. At

this moment, Xiao was too lazy to talk nonsense, said a few words coldly, and the black gold sword in his hand suddenly waved, and in an instant, a dazzling sword radiance burst out, straight towards the red peony.

Red Peony bit his lips tightly, completely urging the power in his body, and the long sword was in front of him.

Rumble!

In an instant, the sword burst out, fiercely bombarded on the red peony long sword, and heard a roar, the red peony snorted, the delicate body was directly shocked and flew out, flying more than ten meters away, and finally hit the mountain wall, before sliding down softly.

After landing, Red Peony’s face turned pale and miserable, his eyes were closed, and he had passed out.

When he competed with Xiao Jue just now, Red Peony had already tried his best, and at this time, in the face of Xiao Jue’s erupted sword radiance, he was completely unable to resist. After all, the two have too many differences in background.

“Red peony! Seeing

this scene, Gu Qianqiu roared, and only felt that his heart was dripping blood.

Although Red Peony is not his own disciple, he has been loyal for so many years, and seeing her so miserable at this time, Gu Qianqiu's heart is like a knife.

Marde!

Yue Feng was also furious, and at the same time a little distressed!

This red peony is really stupid, obviously not an opponent, and you have to fight..

“Don't measure yourself!

At this time, Xiao Jue glanced at the red peony, and the corner of his mouth hooked a trace of contempt.

In the next second, Xiao Jue's gaze locked on Gu Qianqiu: “No one can keep you today.” When the words fell, Xiao Jue gripped the Wujin sword and walked towards Gu Qianqiu step by step.

Faced with this situation, Gu Qianqiu looked calm, but his heart became a little flustered.

It's over, is it really going to die at his hands today?

6889 “Get out of here!”

At this moment, Yue Feng was also anxious, and with a howl at that time, he shook back several disciples in front of him with a palm, and then rushed out of the encirclement: “Xiao Jue, if you want to fight, I will accompany you.” The

moment the words fell, Yue Feng's figure burst out and went straight to Xiao Jue.

“Good boy! Seeing

Yue Feng rushing over, Xiao Jue's face changed suddenly, and he couldn't hide the strong killing intent in his eyes: “The old man hasn't looked for you yet, so you took the initiative to come up and send you to death.”

“Just because you want to save people? Give me death! “

Buzz!

When the words fell, a strong aura erupted from Xiao Jue's body, and then raised his right palm to meet Yue Feng.

In the next second, the palms of the two sides collided, and a roar was heard, and powerful internal force fluctuations swept the audience.

I saw that Yue Feng and Xiao Jue both snorted, and then they were shocked back a few steps at the same time.

Obviously, this time the palm force collided, and neither of the two took advantage.

Swish!

However, Xiao Jue was shocked, and after stabilizing his figure, his eyes stared at Yue Feng tightly, full of incredulity.

How can it be?

His own strength has reached the peak of the late ninth grade, looking at the entire rivers and lakes, there are very few people who can match, and the palm just now contains nine successes, and it is equal to this kid?

However, what Xiao never knew was that Yue Feng's true strength was far beyond his imagination.

"Good boy!

Shocked, Xiao Jue reacted quickly and said coldly at Yue Feng: "It turns out that it is deeply hidden, it seems that I underestimated you before, but even if you are a Da Luo Golden Immortal, it is difficult to escape death today." When

the words fell, Xiao Jue's figure broke out and went straight to Yue Feng.

Yue Feng was not afraid in the slightest and shouted, "Come on! The

words fell, and the two figures collided together and engaged in a fierce battle.

"Brother Yue Feng. Seeing

this scene, Li Muchen was indescribably excited, and at this time, while dealing with the surrounding disciples, he shouted at Yue Feng: "Kill him!" Originally

, Li Muchen was still a little worried, but at this time, seeing Yue Feng's strong strength, he immediately came to confidence.

However, Feixue next to him frowned secretly.

This Yue Feng's strength is so strong, he can actually fight with the master... What to do about this?

Swish!

In the next second, Feixue saw Gu Qianqiu and immediately had an idea.

Now that the red peony is in a coma, Gu Qianqiu has no one else to protect him, which is a good opportunity for a sneak attack.

Thinking about it, Feixue was ready to strike.

Airplanes!

However, at this moment, he saw Xiao Jue rushing into the air, and the power of his body completely exploded, and a powerful power fluctuation swept the audience.

In the next second, Xiao Jue held the Wujin sword tightly, and coldly roared out four words: "Ten thousand people return to the void!" "

Shh

When the last word fell, the air in front of Xiao Jue's eyes suddenly tore apart, and immediately after, one after another sword radiance condensed, there were tens of thousands of them.

Thousands of sword rays appeared, and the surrounding air suddenly tore apart.

Wan Cheng returned to the void, is one of the several stunts that Xiao Jue has learned, just now he fought fiercely with Yue Feng, but he was never able to gain the upper hand, and in a hurry, Xiao Jue decisively unleashed the killing move at the bottom of the box.

Call....

Feeling the power of those tens of millions of sword shadows, the surrounding disciples retreated one after another, for fear of being accidentally injured.

Well?

Yue Feng frowned secretly, did he let go of his skills so quickly?

At this time, Xiao Jue's gaze locked on Yue Feng, and he almost howled: "Boy, you give me death." The moment the words fell, thousands of sword shadows, like shooting stars in the sky, suddenly flew towards Yue Feng.

Whoops...

Thousands of sword shadows, like Dao lightning and thunder, are amazingly powerful.

“Brother beware! Seeing

this scene, Gu Qianqiu was shocked and couldn't help shouting. He and Xiao are definitely old enemies, and they know the power of this move.

Yue Feng did not panic at all, and at that time, he urged the power of the Red Lotus of Law Industry and quickly deployed a protective film in front of him.

Bang bang...

In the blink of an eye, thousands of sword shadows burst out, slamming into the protective film, emitting a roar. Although they all blocked it, in the end, the protective film also shattered, and Yue Feng also stumbled back, his face a little pale.

Speaking of which, if Yue Feng was in his peak state, Xiao Feng would have difficulty hurting him in the slightest, but his strength had not recovered, and this was only when Xiao Feng shattered the protective layer.
