6890 What?

Seeing this scene, Xiao Jue's face changed greatly, and he looked at Yue Feng closely at this time, and his heart was shocked.

This... That's impossible....

The move just now was empty, and he broke out ten layers of power, and no one in the entire Tianxin Continent could stop it, even Gu Qianqiu in his peak state, it was impossible to stop it.

And this Yue Feng in front of him successfully blocked it with only a protective film.

How is this possible?

At the same time, those disciples around were also stunned, staring at Yue Feng one by one, their faces full of incredulity.

It was successfully blocked by him.

This Yue Feng's strength turned out to be so terrifying.....

Ha ha....

At this moment, Li Muchen reacted, his face full of excitement and admiration: "Haha, the sect master really didn't look at the wrong person, brother Yue Feng is powerful."

Saying that, Li Muchen mocked at Xiao Jue: "Xiao Jue, you are not even an opponent of the Yue Feng brothers, and you still want to be the sect master, which really makes people laugh out of their big teeth." "

The words are full of contempt.

Swish!

Hearing this, Xiao Jue's face was instantly ugly, and he wanted to refute at that time, but he couldn't say a word.

After all, Yue Feng blocked his strongest blow just now, which was an indisputable fact for all to see.

However, at the same time of anger, Xiao Jue couldn't help but look at Yue Feng, and he was a little strange in his heart, this kid couldn't see the grade, and he could block my 'Ten Thousand Heavens', which was really elusive.

This.....

Seeing this scene, Feixue, who was not far away, also bit his lips lightly, and his eyes showed a bit of complexity.

The master couldn't beat Yue Feng....

The situation is becoming more and more difficult to control.

"Xiao Jue!

At this moment, Yue Feng stood proudly, staring at Xiao Jue closely, and said word by word: "What other tricks, although let it come out, there is no need for Big Brother Gu to make a move today, I will ask for advice alone." "

It wasn't loud, but it was heard throughout the audience.

Swish!

At this moment, the eyes of the audience suddenly converged on Xiao Jue.

Faced with this situation, Xiao Jue's face turned blue and white, and he was furious, but he was not good at it. Ma De, he has been running the rivers and lakes for so many years, when has he been so provoked?

It's just that... This kid's strength is unfathomable, continue to fight, there is no chance of victory.

"How? Seeing

that he was slow to respond, Li Muchen showed a smile and continued to mock Xiao Jue: "Don't you dare to fight?" Xiao Jue, you can also be regarded as a figure who stands tall in the sky, have you become so timid now?

Xiao Jue snorted coldly, and at this time, he couldn't help it anymore, and said coldly at Li Muchen: "You are less proud, none of you can leave today."

The moment

the words fell, Xiao Jue secretly made a look at Feixue. Motioned for him to raid Yue Feng.

Until this time, Xiao Jue finally found that the biggest enemy at this time was not Gu Qianqiu, but this Yue Feng, who had not been taken seriously.

But it's not too late to change strategy.

Call!

Receiving Xiao Jue's hint, Feixue understood in his heart, and took advantage of everyone's lack of attention to quietly approach behind Yue Feng.

At this time, Li Muchen and Gu Qianqiu were all focused on Xiao Jue, and they didn't notice the flying snow at all.

Yue Feng's perception was keen, and he noticed that Feixue was approaching from behind, but he didn't care at that time, thinking that she was coming to protect Gu Qianqiu, and immediately said: "Feixue, you and Senior Li are optimistic about Big Brother Gu, and the matter in front of you is left to me."

"Good!

Feixue answered, but did not move, but stood behind Yue Feng.

Yue Feng didn't care, and his gaze fell on Xiao Jue again: "Xiao Jue, if you don't dare to fight, take your people and retreat." Don't waste everyone's time.

When he

said this, Yue Feng's face was full of confidence, and after the exchange just now, he expected that Xiao would never dare to act rashly again.

Xiao Jue sneered and did not respond.

"Go and die!

At this moment, Feixue, who was standing behind Yue Feng, suddenly snorted, raised his jade hand, and slammed a palm towards Yue Feng's back heart.

What the?

Feeling the sudden attack behind Feixue, Yue Feng was taken aback, his brain was buzzing at that time, and he looked back at Feixue: "Feixue.. You..." At this time, Yue Feng's mind was almost blank, he never thought that Feixue would suddenly raid him.

6891 "Flying Snow?"

"Girl, what do you do?"

At the same time, Gu Qianqiu and Li Muchen were also taken aback, and they exclaimed at that time, and they were about to rush over at the same time. It's just that the distance is too far to be too late.

"Huh!

At this time, Xiao Jue showed a hint of a smile and said very proudly: "Unexpectedly, you thought that Feixue escaped from the main altar, but you don't know that she has already abandoned the secret and turned to me."

As

he spoke, Xiao Jue cast an appreciative look at Feixue.

What the?

Feixue defected to Xiao Jue?

Hearing this, whether it was Yue Feng, Gu Qianqiu and Li Muchen, they were all shocked in their hearts and completely stunned.

Especially Yue Feng, his brain turned quickly at this time, and he finally figured everything out.

It turned out that all this was Xiao Jue's plan, he deliberately sent Feixue to join us, and then led us into an ambush here...

It's just that...

Feixue was loyal to Gu Qianqiu, how could he suddenly betray?

In this, there must be hidden secrets.

Thinking of this, Yue Feng couldn't help but speak: "Feixue, you calm down.

However, Feixue couldn't listen at all, his delicate face was full of coldness, without half a point of fluctuation, and said coldly: "Anyone who goes against the master will die." "

Buzz!

The words fell, and Feixue burst out with all his strength.

"Master? Hearing this title, Yue Feng's heart froze, and then looked at Feixue's cold face, and finally understood something.

Worst... Flying snow is controlled.

Realizing this, Yue Feng was about to dodge, but it was too late.

Bang!

In the blink of an eye, Feixue slapped a palm on the back of Yue Feng's heart, this palm burst out with all its strength, and a roar was heard, Yue Feng snorted on the spot, a mouthful of blood spurted out, and the whole person was directly shocked out.

Flying tens of meters away, Yue Feng hit the mountain wall and fell, and the moment he landed, Yue Feng clearly felt that his two ribs were broken, and the qi and blood in his body surged, and he almost passed out.

Call.....

When the sharp pain came, Yue Feng couldn't help but take a deep breath, his forehead was full of cold sweat, but his heart was secretly happy. Fortunately, he has the Dharma Red Lotus Protective Body, otherwise, Feixue's palm would have killed him.

"Brother Yue Feng!

At this moment, Li Muchen shouted, quickly rushed over, and helped Yue Feng up:
"How are you?"

Saying that, Li Muchen turned around and shouted at Feixue: "Girl, why did you betray the sect master? At this time, Li Muchen did not realize that the flying snow in front of him was not the flying snow he knew at all, and it was completely different from before.

At the same time, Gu Qianqiu was also worried, and said to Yue Feng: "Brother, you..."
Without

waiting for him to finish, Yue Feng took a deep breath and showed a hint of a smile to persuade: "Don't worry about me, I'm fine." "

Hmm!

Hearing this, Gu Qianqiu was slightly relieved, and then looked at Feixue in a complicated way: "Feixue, you are crazy!" Are you really going to betray as a teacher?

"For the teacher? Feixue's

delicate face was full of indifference: "You are not my master at all, my master Gu Qianqiu, who died in Qingyun City before, I only obey Sect Master Xiao's orders now."

Saying that, Feixue glanced coldly at Yue Feng and Gu Qianqiu: "And you people, who want to subvert the Heavenly Dao and go against Sect Master Xiao, all deserve to die."
The

last few words, like ice, made people chill all over the body.

“You...” Feeling

the coldness of the flying snow, Gu Qianqiu’s heart trembled, and he was furious. He also never expected that Feixue, who has always been gentle and kind, would say such desperate words at this time.

What made his heart ache even more was that this was his most beloved disciple.

“Big Brother Gu!

At this moment, Yue Feng endured the pain all over his body and said to Gu Qianqiu: “Don’t blame Feixue, don’t be sad, she is controlled by Xiao Jue, and she doesn’t know what she is doing.” Gu

Qianqiu is a smart person, when he heard this, he immediately understood something, and at that time, anger rushed upward, and he looked at Xiao Jue angrily: “Xiao Jue, don’t you feel ashamed to use such despicable means to deal with a junior?” “

Huh....

Facing Gu Qianqiu’s anger, Xiao Jue laughed evilly: “Those who become big things are not informal, why should I be ashamed?” ”

6892 said, Xiao Jue walked towards Gu Qianqiu step by step, his tone full of mockery: “I see who can still keep you now.” If you say that you are a former Qianqiu, then you will show your hand and let the disciples present take a look. “

Buzz!

When the words fell, Xiao Jue’s figure suddenly accelerated, and he slapped Gu Qianqiu with a palm.

At this time, Xiao Jue’s face was full of confidence, because he knew very well that Gu Qianqiu at this time was seriously injured, not much stronger than ordinary people, and he could easily crush it with one finger.

“Shameless villain! Seeing

this scene, Li Muchen cursed and was about to rush up to help, but it was completely too late.

Call!

Seeing Xiao Jue burst out, Gu Qianqiu couldn't avoid it, and at that time, he could only grit his teeth and greet it with a palm.

In the next second, the two palms collided, listening to Gu Qianqiu's muffled snort, the whole person stumbled back, retreated dozens of steps, and finally fell to the ground, his face was pale.

Xiao Jue guessed well, although Gu Qianqiu took the spirit pill, he had not fully fused at this time, and his strength at this time, at most one product, was not Xiao Jue's opponent at all.

"Huh....,"

Xiao Jue's face was full of pride, his eyes were firmly fixed on Gu Qianqiu, and he joked: "Vulnerable, just a scum like you, you also want to impersonate Gu Qianqiu?" I don't know if I'm alive or dead.

When he said this, Xiao Jue's eyes were full of treachery.

Wow!

When the words fell, the surrounding disciples, one by one, looked at Gu Qianqiu in a complicated way, and couldn't help but accuse.

"It's really fake..."

"Hmph, even Sect Master Xiao can't block a move, it must be fake."

"Real gold is not afraid of fire, and now it is finally revealed." These

disciples present at this time were completely guided by Xiao Jue, and they all thought that the ancient Qianqiu in front of them was fake. After all, how could the real Gu Qianqiu, with his outstanding strength, be so vulnerable?

However, they didn't know that the ancient Qianqiu in front of them was like a fake bag, but his strength had not been restored.

Oops!

Seeing this scene, Yue Feng frowned secretly, feeling indescribably anxious in his heart.

This Xiao is really cunning, he actually played this hand, and the disciples present at this time all decided that Big Brother Gu was fake, and this time it was troublesome.

Hahaha....

Hearing the reprimands of the disciples around him, Xiao Jue's face was full of pride, and he said to Gu Qianqiu: "How is it?" Your true face has been revealed by us, what else is there to say now?

Gu Qianqiu snorted coldly and ignored it.

"It's pretty tough!

Seeing his attitude, Xiao Jue was not angry at all, but sneered: "Very good, I will give you a chance, as long as you kneel and beg for mercy, I will spare you a dog's life."

As

he spoke, Xiao Jue stared at Gu Qianqiu tightly, his eyes flashing grimly.

Twenty years... Twenty years.

In the past twenty years, Xiao Jue has lived in seclusion in the world, many days and nights, dreaming of regaining everything he has lost, and even more so to see Gu Qianqiu with his own eyes and be able to kneel in front of him and surrender.

And now, that dream is finally coming true.

Kneeling and begging for mercy?

Hearing this, Gu Qianqiu's face turned cold, and he said coldly at Xiao Jue: "Are you worthy?" "

Ugh!

Xiao Jue's face changed, and his eyes flashed with a strong killing intent: "You are looking for death!" When the words fell, Xiao Jue raised his right hand and slapped a palm towards the top of Gu Qianqiu's head.

The moment he struck, Xiao Jue lowered his voice and said coldly: "Gu Qianqiu, the old man gave you a chance, but you don't grasp it well, and you can't blame me." The

voice was so small that only he and Gu Qianqiu could hear it.

Alas!

Seeing Xiao Jue's palm slap, Gu Qianqiu's expression changed, and finally sighed secretly and closed his eyes.

The current situation is powerless to change.

Seemingly... This is his destiny.

“Big brother!

“Sect Master! At

this moment, Yue Feng and Li Muchen couldn't help but exhale urgently, especially Yue Feng, his eyes were blood-red at this time, and he was almost anxious.

Yue Feng has always been very emotional, how can he bear to watch Yue die a tragic death at this time? It's just that just now I was raided by flying snow, and two ribs were broken, and the qi and blood in my body were churning, and I was powerless to stop it.

“Hugh hurt my sect master.

Li Muchen shouted, and his figure burst out, like a fierce tiger descending a mountain, heading straight for Xiao Jue.

Airplanes!

In the blink of an eye, Li Muchen arrived behind Xiao Jue, slapped a palm fiercely, and hit Xiao Jue's back heart.

This palm was Li Muchen's all-out blow, and he saw the palm wind passing through, and the surrounding air suddenly tore apart.

Hehe!

However, Xiao Jue's face was full of contempt, and he coldly spit out two words at that time: “Find death!” When

the words fell, Xiao Jue quickly turned around and met Li Muchen with a palm.

Boom!

In the next second, the palms of the two sides collided, and a vibration erupted, and I saw Xiao Jue's figure shaking, and then quickly stood firm.

Li Muchen, on the other hand, snorted, and the figure staggered back, retreating more than ten meters away before he could barely stand firm, and his face was a little pale and weak.

Speaking of which, Li Muchen's strength is only slightly weaker than Xiao Jue, but he just fought with the surrounding disciples and consumed a lot of skill, and at this time, facing Xiao Jue in his peak state, he is naturally not an opponent.

"Don't measure yourself!

At this time, Xiao Jue's face was full of contempt, and he said coldly at Li Muchen: "Just because you also want to save people?" Hearing

this, Li Muchen was very angry, and gritted his teeth at that time: "Even if you give up this life in the near future, I will not let you succeed in your scheme." When

the words fell, Li Muchen urged his strength and made a move.

However, Xiao Jue didn't give him a chance at all, and at that time, the figure flashed, and he was already thunderous, quickly rushed over, and raised his hand to seal several acupuncture points on Xiao Jue's body.

Snap...

In an instant, Xiao Jue's body trembled and he couldn't move.

Worst!

Seeing this scene, Yue Feng's heart trembled, and he was indescribably anxious.

The current situation is becoming more and more unfavorable, Feixue is controlled, Red Peony faints, Li Muchen is even sealed to the cave road, leaving only Gu Qianqiu alone....

But his strength has not recovered, and he is not Xiao Jue's opponent at all.

Muttering in his heart, Yue Feng secretly calmed himself down, and then silently recovered his strength.

"You..."

At this time, Li Muchen's cave was pointed, and he couldn't say what he was looking at, and he glared at Xiao Jue and shouted: "You won't have a good end."

Hearing this, Xiao Jue was not angry at all, but laughed playfully: "These words, you go below, tell Yan Wang Ye yourself." When the words fell, Xiao Jue was about to strike and kill Li Muchen.

Swish!

Seeing this, Gu Qianqiu's face turned cold, and he shouted: "Xiao Jue, if you dare to hurt a single hair of Elder Li, I will make you die without a place to be buried." "

The tone is cold and frightening.

Marde!

Hearing Gu Qianqiu's shout, Xiao Jue's face was cold, and it was extremely ugly.

He is now the Sect Master of the Heavenly Dao, and at this time, he was scolded by Gu Qianqiu in front of so many people, if he is indifferent, where to put his son behind?

However, killing him directly, it is too cheap for him.

Thinking about it, Xiao Jue saw Feixue in his eyes, and immediately had an idea, and immediately said lightly: "Feixue, teach this impostor who does not know the height of the sky." When

he ordered, Xiao Jue's face was full of cruelty.

He knew that Gu Qianqiu was also a person with a good face, so he deliberately let Feixue teach him a lesson. Being taught by his own disciples, Gu Qianqiu must be unbearable....

"Yes, Sect Master. Hearing

the order, Feixue answered, then walked over quickly, and said coldly at Gu Qianqiu: "You dare to insult the sect master, damn it!" When the words fell, Feixue's hand raised and slapped Gu Qianqiu fiercely.

Syllable!

Hearing a crisp sound, Gu Qianqiu's body shook, he almost fell, and a blood-red palm print quickly appeared on his face.

Gu Qianqiu was completely stunned, looking at Feixue blankly, unable to speak, although he knew that Feixue was controlled by the other party, but after all, he was his beloved disciple, and at this time he was slapped on the face by her, Gu Qianqiu felt very uncomfortable...

"Stop!

At this moment, Yue Feng and Li Muchen's faces also changed, and they couldn't help but shout loudly.

Especially Li Muchen, who was very excited at this time, shouted at Feixue: "Girl, you wake up quickly, he is your master." "The disciple started to hit the master, it was simply a big disobedience.

At this time, Li Muchen only hoped that Feixue could wake up quickly.

"You stop!

However, Feixue couldn't listen to it at all, and at that time, he snorted and said coldly: "He is just a despicable and shameless impostor, not my master at all."

"It is precisely because he is pretending to be Master that I want to beat him even more." The

words fell, and Feixue slapped him again.

The ultimate husband in Chinese chapter 6894

Chapter 6894

Snap....

The crisp slap continued to sound, and everyone around was shocked.

Seeing this, Li Muchen was so anxious that he almost fainted.

"Flying snow!

At this moment, Yue Feng couldn't stand it, and shouted: "You take a closer look at the person in front of you, he is really your master, you were raised by him since you were a child, can't you recognize it?"

When he

said this, Yue Feng's eyes were full of urgency, and at the same time, he was a little angry.

Ma De, this Xiao is really despicable and shameless, this kind of thing has been done, and actually let Feixue teach Gu Qianqiu a lesson.... This is simply more ruthless than murder.

Call....

Hearing Yue Feng's shout, Feixue subconsciously stopped his hand, looked at Gu Qianqiu blankly, and fell into self-suspicion.

Don't.... Is it really Master in front of you?

No... The owner says he is fake, he is fake, the owner will not say wrong ...

Swish!

Seeing this, Yan Bingyu walked over quickly and scolded Yue Feng: "You shameless scum, you need to talk more?" I said, sooner or later, I will let you die at my hands.
When

the words fell, Yan Bingyu pulled out his long sword and was about to stab Yue Feng's body.

"Bingyu, stop!

However, at this moment, Xiao Jue couldn't help but stop him: "Leave him alive first."
Speaking

of which, Xiao Jue originally planned to kill Yue Feng and Gu Qianqiu on the spot, but after careful consideration, he changed his attention.

Yan Bingyu was stunned, and his delicate face was very displeased: "Why?" "

Whew!

Xiao Jue took a deep breath and said with a deep meaning: "This kid is a guest of the royal family, keep him first, and it will be of some use to us later."

"Yes, Master! Seeing

that the master spoke, although Yan Bingyu was unwilling, he had to obey, and immediately nodded.

Snap!

At this moment, Xiao never said more, quickly passed, sealed Gu Qianqiu's acupuncture path, and then ordered the surrounding disciples: "Tie up all these people and put them in the main altar prison."

When

he said this, Xiao Jue's eyes flashed with coldness.

He thought about it, and when the succession ceremony was held three days later, he would kill Gu Qianqiu in front of all the disciples of the main altar.

The disciple obeyed. Hearing

the order, the surrounding disciples quickly surrounded and tied Yue Feng and several people to five flowers.

At this moment, Yue Feng did not resist, and at the same time his heart was surprisingly calm, this Xiao Jue actually did not execute us on the spot, fortunately, there is still a chance.

.....

The other side! Qizhou City.

In the hall of the palace, Ji Beiye sat there, looking out the door from time to time, and his eyebrows could not hide his expectation.

Since the defeat in Qingyun City, Ji Beiye has been taoguang and cultivated obscurity, and does not dare to start a war again, and the defeat of Qingyun City has consumed hundreds of thousands of soldiers, almost a great loss of vitality.

Second, Shaoyang King and Ying Kuang, with Yue Feng's assistance, Ji Beiye had almost no confidence.

Now that half a month has passed, Ji Beiye has reorganized his soldiers and horses, only waiting for Haotian to get out. After several previous battles, Ji Beiye finally understood that if he wanted to deal with Yue Feng, he had to have Haotian come out.

“Great General!

At this moment, a guard walked in quickly, with an unconcealed excitement on his face: “Great General, Your Excellency Haotian is out of customs.” “

Haha...

Hearing this, Ji Beiye was overjoyed, got up quickly, and couldn't wait to walk out: “Great!” When

I arrived outside the door, I saw Hao Tian coming slowly, dressed in a black robe, with an unfathomable strong aura around his body, and his eyes were like electricity, which made people dare not force his eyes.

Feeling Haotian's momentum, Ji Beiye secretly admired, and then greeted him with a loud laugh, and handed over his hand: “Congratulations to Your Excellency Haotian, successfully exiting the customs.” “

Hmm!

Hao Tian looked indifferent and asked, “Is there any news from Yue Feng?” “Just after more than a month of retreat, Haotian's strength has returned to its peak, and what he wants to do most at this time is to get out of Yue Feng and then return to the God Domain.

“Yes! Faced

with the inquiry, Ji Beiye’s eyes turned, and the chicken nodded with a peck: “That Yue Feng is Qingyun City.” When answering, Ji Beiye carefully noticed the change in Hao Tian’s face.

He didn’t dare to say that in the previous battle of Qingyun City, he returned home with a miserable defeat, after all, he did not notify Haotian of Yue Feng’s news at that time.
