Chapter
6934 –
Yikes!

At this moment, those patrol divine soldiers also found Yue Feng, and they were all stunned, and then shouted.

“Yue Feng?”

“Niangniang has an order, it doesn't matter if you encounter this life or death!”

“Quick, take it!”

Under the shout, dozens of patrol divine soldiers swarmed up and went straight to Yue Feng.

Groove! What is this situation? Arrest me as soon as we meet...

Seeing this scene, Yue Feng secretly cursed in his heart, he didn't hesitate for a moment, his strength exploded, and he turned around and ran.

“Stop!”

“Hurry up and grab it!”

Dozens of divine soldiers shouted one after another, quickly catching up.

The speed of these divine weapons was not slow, and at this time, they burst out one by one, and the distance between them and Yue Feng became closer and closer.

Nima!

Seeing that he was about to be caught up, Yue Feng couldn't help but be a little anxious, but seeing that not far ahead, it was the Spirit Fruit Garden, and he immediately had an idea, and immediately accelerated his speed and rushed into the Spirit Fruit Garden.

When Yue Feng first entered the Divine Domain, he accidentally entered the Spirit Fruit Garden, and in order to avoid his identity being exposed, he pretended to be a fruit servant guarding the Fruit Garden, and although so long had passed, he was still familiar with the environment of the Spirit Fruit Garden.

“You dare to trespass into the Spirit Fruit Garden...”

“Stop it!”

Seeing Yue Feng rushing into the Spirit Fruit Garden, the patrol divine soldiers who were chasing behind shouted again.

Yue Feng naturally did not stop, and after rushing into the Spirit Fruit Garden, he directly got into the dense fruit forest, and with the help of the complex environment inside, he finally threw off those divine weapons.

Call!

After throwing off those divine weapons, Yue Feng breathed a sigh of relief and quietly left through the back door.

When he arrived outside, Yue Feng secretly pondered, looking at the situation, Hua Zhao Niangniang had temporarily controlled the God Domain, and went directly to the Yutian Palace, which was undoubtedly throwing himself into the net.

By the way, Master doesn't know if he is there or not.

In the next second, Yue Feng thought of Ghost Guzi, and when they met for the last time before, Ghost Guzi left the Ghost Immortal Mountain in the God Domain, saying that he was going to travel for nine days.

Now that so much time has passed, it should be back.

Yue Feng knew that Ghost Guzi liked to be quiet and did not like to be disturbed, but in the current situation in the God Domain, he alone could not make up his mind at all, so he could only go to Ghost Immortal Mountain for help.

Yes, just go to the master, he is the first person in Kyushu, there must be a way.

Thinking about it, Yue Feng urged the figure and quickly rushed towards the Ghost Immortal Mountain.

.....

On the other side, Dongao Continent, Danzong.

As one of the three major sects of the Dongao Continent, Danzong has a long history, and in the eyes of ordinary people, it is a sacred existence, where the environment is beautiful, quiet and peaceful, like a paradise.

However, today, the entire altar is filled with a tense atmosphere.

I saw that on the square outside the main hall, there were thousands of disciples standing densely, and these disciples stared at the inside of the hall, one by one, they couldn't hide their anger.

In the main hall, a little doll turned a blind eye to the gaze outside the hall, pacing back and forth, very irritable.

It was Zhu Xiansheng.

At the entrance of the main hall, hundreds of disciples fell there, their lives and deaths unknown.

A few hours ago, Zhu Xiansheng directly broke into the main altar of Danzong in an attempt to search for Tian Buyou, and in his heart, he believed that Danzong was shielding Tian Buyou.

However, after searching for a few times, he never found Tian Buyou, which made Zhu Xiansheng more and more annoyed.

A little doll broke into the main altar, as if entering no man's land, which made the disciples of the Danzong present angry, and many people made a move at that time, and they were all defeated by Zhu Xiansheng.

Seeing Zhu Xiansheng's terrorist forces, the remaining disciples did not dare to make any more rash moves, and at this time, they gathered outside the main hall, staring at Zhu Xiansheng's every move.

Buzz

At this moment, not far away in the sky, there was a wave of breath fluctuations, and then dozens of figures flew rapidly, and I saw the two people at the head, one gentle and elegant, the other was extraordinary, and the other was burly and powerful.

It was Wen Ugly and Sun Dasheng.

Two hours ago, the Dan Sect sent disciples to the Heavenly Gate to seek support, Yue Feng was not there, Wen Ugly and Sun Dasheng heard the news, and rushed over.

Wow!

At this moment, seeing the two brothers of Wen Ugly and Ugly coming, the disciples of the Danzong present were extremely excited and excited.

"Great, the Lord of the Wen Hall and the head of Sun are here."

"Finally, someone can cure this crazy boy."

Hearing the movement outside, Zhu Xiansheng frowned, and then walked to the door.

Well?

Seeing Wen Ugly and Sun Dasheng, Zhu Xiansheng was stunned suddenly.

At this time, Zheng Chunqiu walked out of the crowd and hugged his fist at the Wen Ugly brothers: "Brother Wen, brother Da Sheng, I'm tired of you running, what about Brother Yue Feng?" Wen

Ugly responded: "Fengzi went to Shenlong Island for something. When

the words fell, Sun Dasheng next to him couldn't help but say, "Zheng Zhangmen, what is the situation?" Saying that, he couldn't help but look around.

Finally, seeing Zheng Chunqiu's shoulder, Sun Dasheng frowned secretly.

"I'm ashamed to say!"

Zheng Chunqiu's face was full of embarrassment, and then he said the situation. After speaking, Zheng Chunqiu's face turned red, and he couldn't wait to find a seam to drill into.

The Sect Master of the Dan Sect can't beat a little doll, it's simply a shame to throw it home.

What the?

Knowing the situation, Wen Ugly and Sun Dasheng's faces changed, and then they all looked towards the hall, and after seeing Zhu Xiansheng, they were both furious.

This little doll, what a fool.

In the next second, Wen Ugly reacted and shouted at Zhu Xiansheng: "Virtuous nephew, you come out first." Hearing

the shout, Zhu Xiansheng walked out slowly, saw the situation outside, immediately sneered at Zheng Chunqiu, and mocked: "Gee, if you can't beat it, it's called a helper."

Saying that, Zhu Xiansheng said to Wen Ugly and Sun Dasheng: "Two uncles, do you want to help him?" The

words were full of disdain.

Swish!

Seeing him so arrogant, Wen Ugly was a little displeased, and immediately said: "Virtuous nephew, Zheng Zhangmen can also be regarded as your senior, how can you be so rude?"

Sun Dasheng also followed and said: "You also hit Zheng Zhangmen, making a big fuss about Danzong, it's just nonsense, hurry over and apologize to Zhangmen."

In the hearts of Wen Ugly and Sun Dasheng, this little doll is Zhu Bajie's son, no different from his own nephew, so he is educated as his own child.

Apologize... Another apology.

Hearing this, Zhu Xiansheng was very resistant in his heart, and immediately frowned and said, "Two uncles, I didn't do anything wrong, why should I apologize?"

Saying that, Zhu Xiansheng pointed at Zheng Chunqiu and said loudly: "Their Danzong, shielding that Tian Buyou, and helping that scum beat me, it is also reasonable for me to trouble their Danzong, is this wrong?"

At this time, Zhu Xiansheng was very angry.

When I was in Donghai City before, everyone asked me to apologize to Yue Feng, which made me lose face, and now, they want me to apologize to this Dan Sect Master.

This person helped that Tian Buyou, or was his subordinate defeated, why should he?

"You don't talk nonsense."

Seeing that Zhu Xiansheng still said this, Zheng Chunqiu was very excited, and immediately retorted: "We, the Danzong, have never shielded that scum. It's you kid, who doesn't talk about quacks and morality, and hurts people casually.

As soon as the

words fell, Wen Ugly nodded and said: "Not bad, Zheng is a chivalrous man, bright and clear, moreover, he was secretly calculated by Tian Buyou before, how can he be in the same league with him?"

"Virtuous nephew, you must be mistaken."

"Good!" Sun Dasheng answered: "It must be that you did not find out the situation, so you rashly started, and while there is still room for easing the matter, come over and apologize to Zheng Zhangmen."

As

he spoke, Sun Dasheng suppressed his anger, and his tone was even more unquestionable.

“You guys....”

Faced with this situation, Zhu Xiansheng was very angry, looked at Wen Ugly and ugly, and then looked at Sun Dasheng: “Why don’t you believe me?” What I said was the truth, when I saw with my own eyes that Nata Ayuyu escaped into the main altar of Danzong. Wen

Ugly took a deep breath and said patiently: “Virtuous nephew, sometimes seeing is not necessarily believing, maybe you were tricked by Tian Buyou, well, don’t say this, you come and apologize to Zheng Zhangmen.” “Nope

!”

Zhu Xiansheng shook his head decisively, and his immature face was full of stubbornness: “I didn’t do anything wrong, why should I apologize?” If they hadn’t obstructed me, I would have caught that scum, and if I really wanted to apologize, they would have apologized first. Hearing

this, Wen Ugly and Sun Dasheng looked at each other, both inexplicably angry.

This stinky boy really has no rules, does not admit what he does wrong, and is so arrogant....
