Chapter
6939

At this time, seeing Nalan gladly say this, Zhu Xiansheng only felt extremely uncomfortable in his heart.

Why?

Why did Senior Sister, like them, force me to apologize?

“Ahhh...”

Finally, Zhu Xiansheng howled loudly, completely losing his mind, his eyes were blood-red, and his body was filled with a terrifying gloomy aura: “Why? Why do they all say I’m wrong? Buzz

....

In the howl, the power of the demon soul in Zhu Xiansheng’s body was instantly stimulated, and a terrifying and unparalleled aura swept the entire hall, and a black mist filled his body.

At this time, Zhu Xiansheng looked like a demon child descending into the world, and the evil aura was awe-inspiring.

Speaking of which, since Zhu Xiansheng was born, he has hidden the power of the demon soul in his body, and it is precisely because of this demon soul power that Zhu Xiansheng will have a violent personality.

However, he is a child in the end, and his nature is still a little kind, so this power of the demon soul has been suppressed in his body by his subconscious.

At this time, under the stimulation of Nalan Xinran, the power of the demon soul in Zhu Xiansheng’s body finally could not be suppressed and burst out.

This...

Feeling the terrifying power of Zhu Xiansheng’s body, as well as the terrifying black qi, Wen Ugly and Sun Dasheng hurriedly took a few steps back, and looked at each other, both secretly surprised.

This kid has such terrifying power in his body.

Hiss!

At the same time, Zheng Chunqiu outside the main hall and the surrounding Danzong disciples couldn't help but gasp.

A little doll can burst out with such terrifying power.

Is this kid still human?

Nalan Xinran trembled even more, shocked, and immediately shouted at Wen Ugly and Sun Dasheng: "Master of the Wen Hall, Head Sun, be careful!"

Although Nalan was happy to know where the power in Zhu Xiansheng's body came from, she subconsciously knew that Wen Ugly and Sun Dasheng could not resist at all.

"Die! All to death!

As soon as

the words fell, Zhu Xiansheng's immature face was full of madness, and he howled:

"You all come to fight me, die, die." When

the words fell, Zhu Xiansheng's hands suddenly raised.

Buzzing....

In an instant, the air in the entire hall distorted, and then two huge black whirlwinds condensed, carrying unparalleled momentum, sweeping towards Wen Ugly and Sun Dasheng.

Seeing this situation, Wen Ugly and Sun Dasheng did not dare to slacken, and they urged their strength and deployed a protective film to protect their whole body.

Bang bang....

In the blink of an eye, a black whirlwind erupted and slammed into the protective film, and I heard Wen Ugly and Sun Dasheng both snorting and being shocked together.

After flying more than ten meters away, the brothers finally landed heavily at the door of the hall.

"Poof!"

The moment he landed, Wen Ugly's face turned pale, and a mouthful of blood spurted out.

Sun Dasheng's face was also extremely ugly, and he was obviously injured.

"You all deserve to die!"

Zhu Xiansheng was suspended there, his expression was extremely hideous, and at this time he roared, his figure flashed, and he burst towards the brothers again.

At this time, Zhu Xiansheng had completely lost his mind, and under the influence of the power of the demon soul, his mind was full of killing.

Call!

At this moment, Wen Ugly and Sun Dasheng looked at each other, and they were shocked in each other's hearts.

The power of this kid's explosion is so evil, it seems to be the power of the demon race....

However, the scene in front of them did not allow the brothers to think more, and they gritted their teeth at that time and attacked together.

In the blink of an eye, I saw the three figures collide together, accompanied by a loud noise, Wen Ugly and Sun Dasheng were shocked out again.

Airplanes!

Without waiting for the two brothers to land, Zhu Xiansheng raised his hand, and a heaven-destroying aura burst out, and then a blood-colored light, like lightning, slashed towards the brothers.

Finished!

Faced with this situation, Wen Ugly and Sun Dasheng were secretly frightened, and at the same time a little desperate.

This kid's strength is so terrifying, I am afraid that this trick cannot be avoided.

Especially Sun Dasheng, at this time, he really wanted to summon the Heaven-Opening Axe, but Zhu Xiansheng's strength was too strong, and this blood-colored light was too fast to react.

"Little Junior Brother!"

"Kid Hugh is going to be rampant...."

Seeing this scene, Nalan Xinran and Zheng Chunqiu outside the hall both exclaimed, and then wanted to rush in to stop it, but it was too late.

6940 –
Buzz!

At this moment, a figure quickly came, and in the blink of an eye, he arrived at the door of the hall.

Full of silver hair, fairy wind Dao bones, and an unfathomable aura around his body.

It was Lu Dongbin.

At that time, Nalan gladly lost Zhu Xiansheng, and when he was anxious, he first sent news to the Holy Sect, and when Lu Dongbin got the news, he searched all the way and finally found Danzong.

“Master!”

Seeing Lu Dongbin appear, Nalan was overjoyed and quickly shouted.

Lu Dongbin nodded, and seeing the situation of the hall at this time, the figure flashed to the door of the hall, running the supreme method, and raised his hand and waved.

Airplanes!

In an instant, inside and outside the entire hall, the spiritual energy of heaven and earth surged rapidly, and finally in front of Wen Ugly and Sun Dashen, a huge gossip map was formed.

That is, the blood-colored light burst out.

Rumble!

The blood-colored light slammed into the gossip map, and an earth-shattering roar sounded, and the blood-colored light instantly dissipated.

Seeing this situation, Wen Ugly and Sun Dasheng were relieved, and they were secretly glad in their hearts, fortunately, Lu Tianshi came in time, otherwise, the consequences would be really unimaginable.

Fortunately, Wen Ugly hugged Lu Dongbin: “Thank you senior.”

Sun Dasheng also hugged his fist in thanks.

Lu Dongbin’s dark and complicated color spoke, and he spoke: “The evil disciples are stubborn, and they are worried about the Lord of the Wen Hall and the head of Sun.”

Saying that, Lu Dongbin looked at Zhu Xiansheng, who was suspended in the air, and said coldly: "Villain, don't stop quickly." The sound was not loud, but it spread throughout the entire Danzong Altar.

Swish!

At this time, Zhu Xiansheng completely lost his mind, and he couldn't hear Lu Dongbin's words at all, his face was hideous, and he shouted: "You all deal with me together, you all die, die..."

Wooohoo!

When the words fell, the power of the demon soul in Zhu Xiansheng's body erupted, and the entire hall suddenly burst into flames, and then the figure was like a cannonball, heading straight for Lu Dongbin.

"Little Junior Brother, you're crazy!"

Seeing this, Nalan trembled with joy and was anxious, shouting at that time: "Stop quickly." Attacking

the master, this is in the rivers and lakes, but it is a big opposite.

However, Lu Dongbin was not angry, but frowned and looked at Zhu Xiansheng, who burst out, thoughtfully.

"Heavenly Master!"

At this moment, Wen Ugly couldn't help but speak: "Be careful, this virtuous nephew, the power in his body is a little strange."

When the words fell, Sun Dasheng followed and said: "Not bad, it seems to be the power of the demon race..."

When they said this, the faces of the brothers were extremely solemn.

Well!

Lu Dongbin nodded, and his tone was gentle: "Trouble the two of you, this inferior, just leave it to the poor road." Hearing

this, Wen Ugly and Sun Dasheng did not hesitate, answered in unison, and then quickly withdrew from the hall, although Zhu Xiansheng's personality was defiant and very hateful, but after all, he was a person from the Holy Sect.

As soon as the brothers left the hall, Zhu Xiansheng rushed to Lu Dongbin with unparalleled power.

Swish!

At this moment, I saw Lu Dongbin's figure floating, dodging Zhu Xiansheng's blow, and then the figure was suspended in the air, chanting a Taoist mantra in his mouth.

"Fu qi returns to the root, all things are quiet..."

"The mind is calm, look at me alone, the mind is one, and the qi should follow each other..."

"If you are in a hurry, you will not be surprised; No delusion, no anger, no desire and no want; Nothing to give up...."

The tips at the door of Yoyo Dao continued to come out of Lu Dongbin's mouth, and everyone present heard it, and they all felt that their hearts were calm.

This mantra is exactly the secret of the Daomen's pure heart.

Lu Dongbin could see that the Zhu Xiansheng in front of him was completely affected by the power of the demon soul and completely lost his mind, so he chanted the mantra, wanting him to restore his calm.

I have to say that Lu Dongbin is worthy of being a Daomen Heavenly Master.

After reading this paragraph of clear heart, the violence on Zhu Xiansheng's face suddenly subsided a lot, and a bit of confusion appeared on his hideous face.

However, the breath that pervades the body is still very strong.

Sou!

At this time, Lu Dongbin raised his hand and waved, and a handful of dust appeared in his hand, and then the dust silk rose in the storm, and in the blink of an eye, he saw Zhu Xiansheng tightly entangled.

Poof!

In an instant, Zhu Xiansheng lost his freedom and fell heavily to the ground.
