

Chapter 5330

After hearing this, Horiyah was naturally dissatisfied,

And she couldn't help but think to herself:

“Elaine, that stinky b!tch, she cut off my money, and still wants me to thank her?”

“I will be sorry if I don't find a chance to kill her myself!”

Seeing her depressed face, the policeman said,

“Do you think I'm joking with you? To tell you the truth, we've already seen the video she exposed you on,”

“And you said you were going to let your Husband pretend to have pancreatic cancer,”

“Your son pretended to have uremia, and your mother-in-law pretended to be blind from crying.”

“The reason why you can only be detained for ten days is that your husband and son are indeed paralyzed.”

“The law defines it as a crime of fraud for you,”

“If you really do what you just said, it will be a proper crime of fraud!”

“At that time, maybe the court will sentence you to ten years!”

“Ah?!” Horiyah said in horror, “Will I be sentenced for as long as ten years?”

The police officer said calmly, "Once it is determined as a crime of fraud,"

"The amount of money involved in your case is already huge."

"The starting sentence is ten years, and all illegal gains will be confiscated."

"If your money increases again during this period,"

"You will definitely be sentenced to more than ten years or even longer."

Horiyah was stunned, she didn't expect, However, selling miserably in the live broadcast,

There will be such serious consequences, and it will even touch criminal law.

However, even though Elaine indirectly helped Horiyah rein in the precipice,

Horiyah could not forgive her at all.

She still secretly vowed in her heart that after she got out,

She must find a way to take revenge on Elaine.

At the same time.

Horiyah's video is still fermenting on the Internet.

More and more people who bought things in Horiyah's live broadcast room.

All were filled with righteous indignation when they saw the video exposing Horiyah.

They originally placed an order to buy goods in her live broadcast room out of sympathy,

And the poor quality of the goods had long made them very dissatisfied,

But out of sympathy for her and her family, they had never asked for a return.

But now, when they saw Horiyah's video, saw her ugly face,

And even see her treating her family as a wrong person, they are also very dissatisfied.

As a result, many people began to find Customer Service,

Hoping to return the things they bought from Horiyah's live broadcast room,

And also hoped that the platform would impose heavy fines on Horiyah.

The operation team of the short video platform held an emergency meeting at headquarters.

During the meeting, the executives agreed that the platform must give consumers a satisfactory answer as soon as possible,

Not only to effectively appease their anger but also to severely punish,

Horiyah's behavior so that other anchors can learn from it and never make the same mistake again.

Therefore, the group's chief lawyer made a suggestion.

He felt that the platform should pay these consumers in advance,

And return all the orders purchased in Horiyah's live broadcast room in full.

The total turnover of Horiyah's live broadcast room is about 60 million yuan,

Which is just a drop in the bucket for the platform.

In addition, the platform has to recover from Horiyah,

And those merchants who asked Horiyah to sell the goods after the first payment,

And ask them to bear this part of the cost.

If they refuse to bear it, they will be punished.

If they sue, once they win the case, they must make compensation.

If they still refuse, the platform can also apply to the court for enforcement.

In this way, Horiyah must pay out all the income from her live streaming.

If she refuses to pay, she will be punished by law.

This will also greatly deter other live-streaming anchors!

Horiyah, who had just been sent to the detention center,

Was still grateful that she could keep at least half of her income after going out to pay taxes.

But what she didn't know was that every penny she earned would have to be refunded!
