

The Almighty Dragon General Chapter 929

James had successfully cultivated his True Energy again.

Moreover, he had constantly absorbed the Cold Energy from Cynthia's body, allowing his True Energy to increase rapidly.

In just half a day, he had reached the peak of the first rank and was only one step away from the second rank.

Although Cynthia's physique was extraordinary, the Cold Energy within her body was limited and had to be regenerated every day.

During the past few days, Maxine had also discharged a portion from her body.

Therefore, James would have to wait a few days before he could absorb more.

After James headed downstairs, Cynthia dressed and went downstairs with Maxine.

In the living room...

Maxine said, "Next, I'll personally teach Cynthia martial arts. She was a unique physique, and as long as her comprehension is decent, her cultivation rate wouldn't be inferior to yours."

"Indeed."

James nodded.
