

## The Almighty Dragon General Chapter 968

"W-Wait, what about Universal Hospital? I managed to beat Jonathan this time, but he said that this wasn't over and that he'd be back for revenge,"

Thea tugged at James' sleeve worriedly.

James' face darkened.

"These people sure like stirring the pot...If the situation gets dire and they continue using dirty tactics, we'll have to just beat them at their own game then."

"What're you planning to do, Honey? Thea frowned at him.

Then, she quickly reminded him.

"There are plenty of eyes on you right now. One wrong move, and it's likely you'll get in a lot of trouble. It'll be hard to get out of the mess if that happens. You should leave it to me. I'll get people from the God-King Palace to secretly dispose of Jonathan and the others."

"It's fine. All that is none of your concern."

James shook his head and denied the suggestion. Thea was a woman. He did not want to drag her into such unsavory dealings.

"But..."

"No ifs or buts. Just trust me and don't act on your own,"
