

charlie was even more puzzled, and couldn't help thinking to himself, "What the hell are you smoking? Are you hungry again? Are you trying to deceive Lao Tzu's aura?" Nanako Ito saw that

he was looking at the plain ring in his hand with a puzzled face, and went Couldn't help but ask again, "Mr. charlie, is there anything special about this ring?"

charlie came back to his senses, and said with a casual smile, "It's nothing special, it's just that I picked up such a crappy thing in the aisle before, and now I've been hesitating whether to buy it or not." Throw it away."

Nanako Ito pursed her lips and said with a smile, "Then why don't you give it to the police, you can also find lost and found, and maybe you can find its original owner.

" The girl smiled, and said casually, "Its owner probably doesn't remember it anymore."

After that, she put it back into her pocket, and said to Nanako, "Leave it alone, let's go, the elevator hall in front is The building number sent by Mr. Tanaka."

At this time, Sister Xian drove out of the basement in the nanny car.

When the car drove out of the basement and the sun shone into the car along the front windshield, the two women in the back row let out a sigh of relief at the same time, thinking to themselves that it was dangerous!

Both of them were nervous because they suddenly saw charlie just now, but the difference was that Lin Wan'er (Alani) was completely relaxed at this moment, but Mia (Liu Manqiong) felt a little sour in her heart.

She didn't know who the woman walking beside charlie just now was, but he subconsciously believed that that woman should be charlie's wife.

And Nanako Ito's beauty and temperament are almost invincible among Asian women.

If it is said that Lin Wan'er (Alani) has the most authentic Chinese classical beauty, then Nanako Ito fully embodies the special intellectual beauty and obedient beauty of Japan's Yamato Nadeko in every way.

Even though Mia (Liu Manqiong) is already an absolute leader among the new generation of young women on Hong Kong Island, she still feels uncontrollably inferior in front of Nanako Ito.

Thinking of charlie's wife being so good, she naturally felt a little uncomfortable.

Lin Wan'er (Alani), who was at the side, could clearly see her performance and the subtle changes in her expression.

When the car didn't come out of the basement just now, she didn't dare to speak, because she knew that charlie possessed aura and must have very strong senses, and she was afraid that charlie would hear what she said.

However, now that the car has come out, she is completely relieved, so she deliberately teased Mia (Liu Manqiong) and said, "Sister Mia, what's the matter with you? You are fine, why does your complexion suddenly look bad?" Mia (Liu Manqiong) hurriedly said, "Is there anything?"

" Maybe... maybe I'm just too hungry..."

Lin Wan'er (Alani) deliberately teased her, "I thought you were attracted by that handsome guy outside the car just now!" "

Ah?!" "Where... how could it be... I didn't even pay attention to see if there was a handsome guy..."  
Lin Wan'er (Alani) said casually, "It's the handsome guy who walked past our car in the basement just now. He's also very handsome."

"Yes...is it..." Mia (Liu Manqiong) said in a panic, "I didn't see it, I was a little distracted just now..." "  
Okay." Lin Wan'er (Alani) smiled, "Next time a handsome guy passes by, I will definitely I'll tell you as soon as possible."
