

After sharing the bed with a woman who doesn't love him for more than twenty years, it's time to change to someone who loves him.

But when you look into it, the old man also thinks that this matter is not perfect. In his impression, Kairi is a disabled person, which is really a bit unreasonable. The young lady of the Banks family is missing an arm, which is not the case even after thinking about it.

But he still doesn't know that Kairi's severed arm has already been reborn after being rebuilt by the reshaping pill.

After the plane landed, it taxied all the way to the hangar. At this time, Zayne and Kairi had been waiting in the hangar for a long time.

After all, it was the old man who came here all the way, and the two of them attached great importance to it, so they came to the airport half an hour early to wait for Sister Ying.

When the plane slowly slid into the hangar, Kairi's nervous hands trembled a little. This was mainly because she was not sure whether Mr. Banks, who had a strong temper and eyes above his head, would like her future daughter-in-law.

In case he was dissatisfied with himself and would point to his nose and scold him for not being good enough for his son when he came down, what would he do then?

Zayne found out Overwhelmed by Kairi's nervousness, she whispered in her ear, "Don't worry, when I called the old man about this matter, the old man didn't express any dissatisfaction." Kairi said anxiously, "I know the character of the old man

. His anger is invisible, and he likes to attack suddenly, so I'm afraid he'll hold his breath..." "

No." Zayne comforted with a smile, "The old man is no longer the all-powerful old man. His thoughts now We are both raising horses. I said we were going to get married and invited him over. His first reaction was to figure out the time. It is said that he bought a horse farm, and there are a few mares in it that are about to give birth. He doesn't want to miss the birth of foals. "

Kairi breathed a sigh of relief, but before getting the face-to-face affirmation from the old man, she was still a little uncertain.

At this time, the docking of the steps was completed, the cabin door opened, and Lord Banks, who was wearing short sleeves and big pants, stepped out of the plane.

When he saw Zayne and Kairi, he waved to them on the plane with a smile on his face, and his pace was a little faster.

Seeing him smiling and waving, Zayne said to Kairi in a low voice, "Look, the old man seems to be in a good mood!"

After that, he took the initiative to greet him, and said respectfully, "Dad, you have worked hard all the way."

Lord Banks waved his hand, He smiled and said, "It's not hard, it's not hard. I have nothing to do but eat and sleep on this journey."

Kairi also walked up to Lord Banks anxiously at this time, bowed respectfully and said, "Master, hello!"

Lord Banks said with a smile, "You The two of you are going to have a wedding soon, so why do you call me Master, besides, I am not the head of the Banks family now, so I don't need to be called so ostentatiously, I am older than your father, you can call me uncle first, and then change your name on the wedding day Call me Dad."

Kairi didn't expect the old man to be so approachable now, and he relaxed a lot at once.

Zayne really felt relieved, pointed to the Rolls Royce behind him, and said to the old man, "Dad, let's go to the hotel first."

"Okay." Lord Banks nodded slightly, and Kairi on the side had already opened the car door for him first, made a gesture of invitation, and said respectfully, "Uncle Banks, please!" Lord Banks subconsciously responded, and was about to sit down

. When he got into the car, he suddenly found that Kairi was making a gesture of invitation with both hands. He pointed at Kairi's right hand in amazement, and murmured, "Kairi...you...you...what's the matter with your right hand..."
