

When Charlie was about to start alchemy, Hong Changqing also returned to the hotel where he stayed.

Like a thief, he hurried into the hotel lobby, quickly got into the elevator, and slipped back to his room.

As soon as he entered the room, he locked the door and put on the anti-theft buckle. Then he was still worried, and moved the coffee table in the living room, and firmly pushed the door against it. After finishing all this, Hong Changqing couldn't wait to go back to the bedroom, pulled up the curtains tightly, and then took out the blood-scattering rescue pill from his bosom.

Hong Changqing also knows some superficial alchemy techniques, so he can tell at a glance that the elixir Charlie gave him is nothing ordinary.

At the very least, the color and fragrance of this pill are much stronger than the pills I refined and the life-sustaining pills handed down by Taizhen Daozu.

Excited, Hong Changqing couldn't wait to put the pill into his mouth after looking at it carefully.

As soon as the elixir was put into his mouth, before he could swallow it, it turned into a ball of medicinal power and poured into his stomach.

Hong Changqing exclaimed in his heart, "This... the ancestors have always said that a good medicine should melt in the mouth, and only the medicine that melts in the mouth is the purest medicine. I used to not believe it, but now it seems that the ancestors are not deceiving me!"

As soon as he finished sighing, he felt a burst of powerful medicinal effects rising from his stomach. The huge energy was like a huge wave coming, so he immediately got 12 points to deal with it with all his strength!

Fortunately, although the energy is surging, it is very gentle as a whole, not like that kind of uncontrollable force that seems to tear people apart at any time.

As an eight-star martial artist, Hong Changqing had already opened up all the eight extraordinary meridians. These surging medicinal power flowed into the dantian along the eight meridians. While widening the eight meridians, his stagnant cultivation immediately underwent a qualitative change! Originally, between Hong Changqing and Ming Realm Dzigchen, there seemed to be a vault that could not be broken through by the physical body. He knew that the Dzigchen Realm was behind the door of the vault, but he couldn't open the door of the vault at all.

He is like a thief who is deliberately trying to steal the treasury's finances. He has been wandering outside the treasury for many years, trying almost all methods that can be tried, but there is still no progress.

But now, the moment the effect of Sanxue Jiuxin Pill reached Dantian, the incomparably strong door of the entire treasury immediately began to crumble in front of him!
