

Immediately afterwards, Hong Changqing felt that the gate of the entire vault had completely disappeared, and the huge wealth in the vault was already in front of him.

Then, he even felt that the treasury seemed to have merged with his dantian, and the wealth it had guarded for so many years was completely given to him.

At this moment, Hong Changqing was already in tears.

He knows that at this moment, he has successfully completed a breakthrough and entered a new realm of Mingjing Dzogchen!

He felt that his strength had undergone a qualitative change compared to before. The true energy in his body was more surging, the strength of his limbs was stronger, and the perception of his five sense organs was also more sensitive.

The whole person is completely all-round and qualitatively improved.

And what he never imagined in his dreams was that all this could be so simple.

At the same time, at this moment, he suddenly realized that charlie was far stronger than he imagined.

This kind of strength is not reflected in strength, but a huge contrast.

Things that I haven't been able to solve after so many years of hard work can be solved by others with just a pill. , but the two sons of the Hercules God Kua'e can easily move the two mountains away. The gap between himself and charlie may be the same as the gap between the two sons of Yu Gong and Kua'e. Same day.

It was also at this moment that he suddenly felt very grateful for his decision to stay by charlie's side and do the work of a dog.

If it weren't for this decision, I might not be able to see the wonderful feeling of the Great Perfection in the Ming Realm until I die in this life!

at the same time.

In Champs Elysees Spa Villa.

charlie had already prepared the medicinal materials capable of refining twenty blood-scattering and heart-scattering pills, and decided to use a furnace of blood-scattering and heart-scattering pills to open the cauldron for this medicine.

Fortunately, the medicinal materials needed for Sanxue Jiuxin Pill are not rare, so Mr. Quinton prepared a lot for him at the beginning.

The reason why charlie wanted to use the medicine cauldron to try to refine Sanxue Jiuxin Pill was mainly because the medicinal materials were sufficient, and he would not feel distressed if something went wrong during the refining process.

Under normal circumstances, he would use at least 20 to 30 catties of various medicinal materials to refine twenty blood-scattering and heart-rescuing pills. However, his previous alchemy method was to wrap these medicinal materials with spiritual energy, and use spiritual energy to refine the essence of them. Then use aura to condense the essence of these medicinal materials into pills.
