

At this time, there was a knock on the door, and Lao Zhang respectfully said, "Miss, I have something important to report!"

Lin Wan'er (Alani) frowned slightly, put down her brush, and walked out the door slowly. When she opened the door, she saw Lao Zhang standing outside the door with a nervous expression on her face, so she asked curiously, "What's going on, that you're so panicked ."

Nodding his head, he let him into the yard by mistake. Lao Zhang closed the door tremblingly, and then said in a low voice, "Miss, I just received a report, something big happened!" "Big thing?"

Lin Wan'er (Alani) asked in surprise, "What? event?"

Lao Zhang explained, "I heard that the four Earls of the Qing Dynasty have all left the mountain. This is an unheard of big move!" "

Oh?" It's a ring."

Lao Zhang nodded again and again, "I think so too..."

Lin Wan'er (Alani) asked him, "Is the news accurate?"

"The above-mentioned people basically know about it."

Lin Wan'er (Alani) snorted, and said, "I left them a message telling them that the ring is no longer on me, so instead of restraining themselves, why did they intensify it? In addition to looking for me and the ring, you should also look for Charlie..."

"It's possible!" Lao Zhang agreed, "As you said, Mr. Wade is very capable. He will also bring under the command of those brave cavalry guards that day, this must be a serious worry for the Poqinghui, and he will definitely do everything possible to investigate."

He said, "Miss, do you want to find a way to inform that Wade Sir, tell him to pay more attention?"

Lin Wan'er (Alani) smiled lightly, and said casually, "Forget it, don't worry about them, the more they mobilize their troops, the more it proves that they don't have any real clues, the world is so big, and they have so much to investigate. It will be impossible to find Aurous Hill for a while."

Lao Zhang said nervously, "Miss, I heard from Lao Qiu that you are going to go to college, isn't it a little unsafe?" "It's nothing unsafe."

"Lin Wan'er (Alani) said seriously, "Let them do nothing, a group of people have been thinking hard for a whole year, and it is impossible for them to think that after I was almost caught by them, I didn't hide in a remote mountain and old forest, but ran away. This is a surprise." Lao Zhang sighed, and said respectfully, "Miss, please forgive me for talking too much, if you are hiding in this Zijin Villa, it is definitely a good choice, but if you go to school, At that time, I will meet a lot of people, even though they are all college students, but as long as the exposure is increased, there must be risks!"

Lin Wan'er (Alani) nodded, "I understand this truth, but I have no other way now. With the resources and strength I can muster, it is just a dream to compete with the Poqing Society, and I don't want to hide for a lifetime. The only thing that can change The current opportunity is to join forces with Charlie, if I don't go to this university, I'm afraid it will be difficult to have the opportunity to

cooperate with charlie, so even if this decision is a bit risky, I am willing to give it a try!" Lao Zhang said with trepidation,
