

"It's the old slave who is blind, I don't know that the lady has already considered everything well, and even suggested it to the lady, it's really damn..."

Lin Waner (Alani) waved her hand, "Old Zhang, everything has risks, what I have to do is to choose to take more risks, come to win A better future, if I die because of this, I am willing, as long as charlie can protect my father's ring and prevent it from falling into the hands of the Po Qinghui (Benn), I will be satisfied." Old Zhang nodded

lightly Nodding her head, she said respectfully, "Miss, this old slave understands! If that's the case, this old slave won't bother Miss anymore!"

...

At the same time.

charlie received a call from Xyla. As soon as the call was connected, Xyla said in a low voice, "Master Wade, that Hong Tianshi came to report to my grandfather!

"The old boy has made a breakthrough, how is his attitude?"

"The attitude is very good..." Xyla said awkwardly, "But he insists on coming to Serene Medical Clinic to help my grandfather, we don't have much use for him here, now just sat in the storeWell..."

charlie smiled and said, "It's okay, let him sit first, I'll come over later. "

" Good! "Xyla said gratefully, "Master Wade, thank you so much for this incident. If it weren't for you, grandpa's famous name would have been ruined by this surname Hong." "

charlie said calmly, "It's just a little effort, don't be so polite, next time you encounter something that can't be solved, please notify me as soon as possible. After talking on the phone with

Xyla, charlie packed up and drove out to Dr. Simmons's Serene Medical Clinic. In the

Serene Medical Clinic at this time, Dr. Simmons was taking Xyla to see a patient. The patient who had received the prescription was picking up the medicine, Hong Changqing, who was slender and with a white beard, was talking to the waiter at this time, "Boy, put down the scale and let the poor Taoist help you get the medicine! "

The guy muttered dissatisfied, "I won't let you catch it, why should I go grab the medicine?"

Hong Changqing said angrily, "Do you understand respecting the old and loving the young with this small word? " Since Master Wade asked me to come here to report to Miracle Doctor Simmons, I naturally can't just sit here! Anyway, find me something to do! I'll help you grab the medicine, and you go and rest for a while, isn't it the best of both worlds? "

"Cut." The guy said disdainfully, "You think beautiful!" I won't give it to you! Hit me if you have the ability, and see if Master Wade will take care of you when the time comes! "

"You!" "Hong Changqing's face was livid with anger, but facing this kid, he didn't dare to really do anything, so he could only say bitterly, "Boy, how about this, let's make it easier for each other, I will accept you as a registered disciple, and I will definitely let you use it in the future endless!

The man pouted and said, "Who will be your registered disciple! " Do you want to learn from you how to steal and play tricks? "

Hong Changqing pointed at this guy with an angry face, so angry that he couldn't speak.

charlie stepped in at this time and teased, "Oh, Hong Tianshi's face doesn't look very good! "
