In the hotel, Don Albert was directing a group of younger brothers to demolish and rectify some public facilities of the hot spring hotel.

He probably knew that charlie would train some martial arts masters here, so he decided to Discuss with Isaac Cameron to dismantle all the inside of the big lecture hall in the hot spring hotel that is specially used for guest group building meetings, and directly reinstall it into a large indoor training venue, and then re-upgrade the fitness equipment to meet the needs of those martial arts practitioners. There is also a very

large The project is to replace all the doors and windows that open outwards with one-way glass that can absolutely guarantee privacy, so as to further ensure that no one will know the actual purpose of the inside. In addition, Don Albert also built

a In an area full of building materials, not only a large amount of cement, yellow sand and other building materials have been prepared, but also many scaffolding and decorative raw materials, which seem to make a false impression that a large-scale renovation is really going on here. When charlie arrived at the

hotel At the door, seeing the scene in front of me, I really sighed the hard work of Don Albert and Isaac Cameron. Although these two people are not martial arts experts and have little actual combat ability, they are really very competent as my right-hand man. Seeing charlie, Don Albert was very happy

. He smiled respectfully and said, "Master Wade, why did you come here today without saying hello?"

charlie smiled and said, "I found a coach here, and I plan to bring him over to get familiar with the working environment. "

"Oh! Don Albert nodded, seeing charlie himself, he asked a little puzzled, "Mr. Wade, where is the coach you mentioned?"

Charlie snorted, and said casually, "It's in the back, don't let him in today!" "

"Don't let him in?"

charlie snorted, and said casually, "He is a little ignorant, and he must beat and beat such an ignorant person, otherwise I don't know how he will lose the chain in the future." Don Albert instantly I understand, and said with a smile, "I understand Master Wade! Since this is the case, let's ignore him for the time being. I will take you to have a look first, and tell you about some of my adjustment ideas by the way. If you have any needs, feel free to contact me." I will try my best to make it happen."

charlie nodded and said to Don Albert, "Let's go!"

At the same time.

The taxi that Hong Changqing took had already arrived at the fork in the road where Don Albert's younger brother was on duty.

The taxi driver slowed down, pointed to the sign in the middle of the road, and said to Hong Changqing, who was on the co-pilot, "Master Dao, you can't pass this way. If you want to go to the Champs Elysees Hot Spring, you have to go down and walk." Hong Changqing resentfully He nodded and said, "Just stop here, I'll get off here."
