

"Become a master of the dark world?"

Xion was so shocked by charlie's words that he couldn't speak.

She subconsciously asked charlie, "Mr. Wade, if you are not talented, do you really have a chance to become a master of the dark world?" "Yes."

charlie said firmly, "To become a master, talent is not important, what is important Whether to grasp the right time, place and people, although some people are very talented, it is impossible for them to cultivate to the Great Perfection of the Bright Realm in a lifetime, so let alone become a master of the Dark Realm." After finishing speaking,

charlie looked at Xion, He said very seriously, "You have the right time and place to become a master of the dark realm. As long as you can work hard and consolidate your existing cultivation base, you will be able to become a master of the dark realm in the future. Maybe in two or three months, you will be able to become a master of the dark realm. It's gone."

Xion's eyes were flushed with excitement, and even filled with tears.

She never thought that one day, she would have the opportunity to become a master of the dark realm.

For the vast majority of martial arts masters, the dark realm is a supreme realm that can never be reached.

Without a complete set of martial arts mentality, not to mention entering the dark realm, even becoming an eight-star martial artist is an extravagant hope.

Many martial arts families and sects have cultivated for dozens of generations relying on some incomplete martial arts mental methods, and they can't even train a five-star martial artist, as was the case with the Elms family before.

Therefore, it is as difficult as climbing to the sky to cultivate a dark realm warrior.

Moreover, in the journey of martial arts, every level from the three-star warrior to the next is a big hurdle. Any hurdle in front of you may not be able to overcome it in your life. It is as difficult as climbing the sky.

This is also the reason why many eight-star warriors, even warriors in the Dzogchen realm, could have been admired by thousands of people in various places, but they are willing to join the Huben Camp of the Poqing Society, and will be controlled by the Poqing Society for the rest of their lives. For them, the Huben Camp has a great probability of allowing them to successfully break through the Great Perfection of the Light Realm and become masters of the Dark Realm. This alone is fatally attractive to them.

Before becoming a master of the dark realm, money and status are all floating clouds.

Therefore, charlie guessed that the reason why the Huben camp of the Po Qinghui (Benn) was able to cultivate dark realm masters in batches was that there was a high probability that masters like himself who were proficient in aura and elixirs were sitting behind them.

Because only spiritual energy and elixir can ignore the level barriers of martial arts practitioners and help them successfully break through.
