

Sister Xian watched from the side, and couldn't help sighing in her heart, "Miss Lin really has a beautiful appearance. Just seeing her brows stretched makes people feel refreshed unconsciously. She is only seventeen or eighteen years old and she has such beauty. If you wait a little longer In the past two or three years, I still don't know what it looks like to be beautiful..."

At this time, Lin Wan'er (Alani) put the tangerine peel Pu'er cake aside, took a sip from her teacup, and said to Sister Xian with a smile, "It's pretty good, probably I want it It's just that the tea leaves are a little bit worse."

Sister Xian was secretly surprised, and couldn't help laughing and said, "Miss Lin, this is already the best Pu'er tea my husband can buy." "

Yes." Lin Wan'er (Alani) smiled Said: "This tea is really good, but it's not as good as mine... But it doesn't matter, I'm already very pleasantly surprised that I can achieve this kind of taste, thank you, sister Xian, and thank you for my hard work, sister Xian That pastry chef."

Lin Wan'er (Alani)'s words made Sister Xian very surprised.

She has known Lin Wan'er (Alani) for more than a few days, but these days, she has never heard Lin Wan'er (Alani) say thank you to herself.

Don't talk about yourself, even if her husband has done so much for her, and even gave away the entire Zijin Villa, Lin Wan'er (Alani) has never seen Lin Wan'er (Alani) thank her. It seems that in her eyes, what her husband does for her is a matter of course. I will not be grateful, even a word of thanks is stingy.

Sometimes, Sister Xian also has some opinions on Lin Wan'er (Alani) in her heart. She always feels that this girl is young, she looks educated and reasonable, like a lady of everyone, but in reality she is extremely arrogant and lacks etiquette. She was busy and attentive, but she never showed the respect she deserved.

However, at this moment, Sister Xian was very surprised again, and thought to herself, "Mr. has done so many for her, and the out-of-print other houses that are hard to buy for billions can be broadcasted to her, but she has never said thank you, but today But because I made her the tangerine peel Pu'er cake she wanted to eat, and said thank you to me and the pastry chef at the same time, I really don't know what Miss Lin's worldview is like." Just when Sister Xian was puzzled, she heard a rumor from home

. Mr. Qiu 's voice, he said out of breath but full of excitement, "Miss! Lao Zhang is here!"

Lin Wan'er (Alani) raised her eyebrows slightly, and looked at the door with her beautiful eyes.

After a while, I saw Qiu Yingshan and Sun Zhidong walking in with an old man, supporting each other.

And the old man who came up with Qiu Yingshan and Sun Zhidong was the old man who had been with Lin Wan'er (Alani) in Northern Europe back then.

Seeing Lin Wan'er (Alani), the old man took a step forward with difficulty concealing his excitement, knelt down in front of Lin Wan'er (Alani) tremblingly, and respectfully said, "Miss, the old slave is late, please punish me!" Lin Wan'er (Alani) smiled lightly, raised her hand in the void
