Feng Zidong (Dax) said without hesitation, "Don't worry, I will keep your affairs absolutely confidential, but you should be more careful during this time." "

Okay!" charlie cupped his hands, "Thank you Uncle Feng !"

Feng Zidong (Dax) smiled slightly and said, "Your father is my big brother, you don't have to be polite to me, if you need my help with anything in the future, just contact me." Then, he took out a business card and handed it to

Charlie .

charlie accepted the business card with both hands, and said, "Thank you, Uncle Feng!"

Feng Zidong (Dax) waved his hand with a smile, then looked at the time, and said, "charlie, it's getting late, I have to hurry back to Eastcliff, today our grandpa The two of you will stop here first, and if there is any new news in the future, I will definitely tell you as soon as possible."

charlie bowed slightly and said, "Thank you, Uncle Feng, if there is any situation on my side, I will tell you as soon as possible." Talk to Uncle Feng as soon as possible."

Feng Zidong (Dax) nodded, and said seriously, "If you have time to come to Eastcliff, you must contact me."

After the helicopter disappeared on the other side of the mountain, he sighed and turned back to the villa with Xion.

charlie went back to the basement without saying a word, and Xion followed him silently. It wasn't until she returned to the basement that she asked charlie, "Mr. Wade, Uncle Feng said just now, what kind of four will Poqing send?" Earl, are they very good?"

charlie shook his head, and said truthfully, "I don't know the strength of these people, but since the Huben Camp is already a master of the dark realm, then these four heroes who will break the Qing Dynasty The confidant must be much stronger than the masters of the dark realm."

Xion said with a horrified expression, "The masters of the dark realm are already very rare top masters, and they are much stronger than the masters of the dark realm. Is there a master realm? Are there really fighters of these two realms?"

charlie said seriously, "There are people beyond people, and there is a sky beyond the sky. The strength of these four people may be stronger than the so-called master realm warriors."
