The ultimate husband in Chinese chapter 6981—"Two!"

Feeling the displeasure of the two goddesses, Yue Feng took a deep breath and said patiently: "Around this enchantment, there are many formations hidden, and I am afraid that I will touch the formation if I make a rash move. To

be honest, the Holy Yang Goddess analyzed it well just now, the weak point of the enchantment in front of her is the direction of Tianji and Tianmourning, but this is deliberately done by Hua Zhao Niangniang.

After Yue Feng observed it just now, he could see that in the direction of Heavenly Machinery and Heavenly Death, there was a Heavenly Fire Array hidden, and what was intertwined with the Heavenly Fire Array was the Xuan Thunder Array....

In this case, the two goddesses made a rash move, and the consequences were unimaginable.

In the end, the two goddesses are extremely powerful, but they have been practicing for thousands of years, and their experience is still somewhat insufficient.

Formation?

Hearing this, the Holy Sun Goddess and the Cold Moon Goddess were both stunned, and then their eyebrows locked. The delicate face was full of suspicion.

Soon, the Cold Moon Goddess was the first to react, and said coldly: "Yue Feng, you are less here to make a fuss, what formation, are you deliberately scaring us?" When

the words fell, the Holy Yang Goddess also said angrily: "You obstruct in every way, could it be that you have already joined forces with Hua Zhao Niangniang?" "

Groove

At this moment, Yue Feng was crying and laughing, how could he not expect that the two goddesses not only did not believe, but doubted themselves.

Seeing his complicated face, the Cold Moon Goddess was too lazy to talk nonsense.

"Ignore him, let's quickly break the enchantment."

After saying this, the Cold Moon Goddess flew up, raised her jade hand, ran the power of the Yuan God, and slapped a palm towards the Heavenly Machine and the Heavenly Mourning position.

“Don’t....”

Seeing this, Yue Feng was so anxious that he shouted at that time and was about to rush up to stop it.

The Holy Yang Goddess had been paying attention to Yue Feng, and seeing that he wanted to stop it at this time, she immediately said coldly: “It seems that you really have a problem.” Buzz

!

The moment the words fell, the Holy Sun Goddess burst out with power, and a palm quickly hit Yue Feng.

Seeing the palm wind passing, the air instantly distorted, and the surrounding temperature also increased suddenly, and then, between the palms, a purple-red flame also rose.

It was the Holy Yang Goddess’s peerless ‘Holy Yang Flame Palm’.

Call!

Feeling the power of this palm, Yue Feng did not dare to be careless, and quickly dodged and dodged.

Just dodged this palm of the Holy Sun Goddess, the Cold Moon Goddess’s side had already arrived at the enchantment, and at that time, with an all-out palm, it directly hit the direction of Tianji and Tianmourn.

Finished!

At this moment, Yue Feng no longer had time to stop it, and when he saw this situation, he immediately smiled bitterly, very helpless.

Bang!

In the next second, a roar was heard, the Heavenly Machine and the Heavenly Moon Direction were not broken, the Cold Moon Goddess frowned, turned around and looked at the Holy Sun Goddess, and they were a little surprised by each other.

What’s going on? This is obviously a weak place, how come the enchantment has not been broken?

Don’t.... What Yue Feng said just now is true?

Buzz.....

Just when the two goddesses were in shock, there was a strong power fluctuation around them, and the Heavenly Fire Array hidden nearby was instantly stimulated, and one after another flames burned up, instantly encircling them and Yue Feng.

This....

Seeing this scene, the faces of the two goddesses changed, and at this time, they also realized that they had misunderstood Yue Feng just now.

Hooohoo.....

At this moment, the surrounding flames became more and more intense, forming a wall of fire and quickly spreading towards the three people.

Faced with the situation, the Holy Sun Goddess did not have time to think about it, raised her jade hand, and quickly deployed a protective film to envelop the three and isolate the flames.

Call!

Seeing this, the Cold Moon Goddess secretly breathed a sigh of relief and tilted her head to look at Yue Feng: "How do you know that there is a formation hidden here?"
This

formation was hidden too cleverly, and he and the Holy Yang Goddess had never noticed it.

Hearing the inquiry, Yue Feng was very helpless, you two are too conceited, don't hit the south wall and don't look back, what's the use of asking these now?

Thinking so in his heart, Yue Feng naturally didn't say it, but smiled: "Hua Zhao Niangniang is thoughtful, she finally deployed this enchantment, how could she put the flaws in such a conspicuous place?"

Hearing this, the two goddesses nodded thoughtfully.

Click Wipe....

At this moment, cracks appeared in the protective film, which was obviously about to be unable to hold on.

Call!

Yue Feng took a deep breath, didn't think much at that time, and quickly urged the power of the Red Lotus of the Law Master, raised his hand and swung out a red lotus industry fire, swallowing the surrounding heavenly fire cleanly.

Although the heavenly fire was powerful, it could not hurt Yue Feng in the slightest, after all, the Red Lotus Industry Fire could devour all fire.

Click and wipe...

Just as soon as it devoured the heavenly fire, powerful power fluctuations surged around again, and the air above his head was distorted for a while, and then one after another lightning tore through the air and burst towards Yue Feng's three.

Oops, it's the Xuan Thunder Array.

Seeing this scene, Yue Feng's face changed, and he didn't have time to think about it at that time, so he quickly put away the red lotus industry fire, and then deployed a protective film around his body.

The Holy Sun Goddess and the Cold Moon Goddess also changed their faces, and they did not dare to slack off at that time, and they deployed protective films in front of them.

Click, click...

In the blink of an eye, one after another Xuan Thunder slammed down, Yue Feng three deployed the protective film in time, and suddenly could withstand it, but these Xuan Thunder was much stronger than the fire just now, and after a long time, it was a little difficult to resist.

"What to do?"

I don't know how many Xuan Thunder she has endured, and the face of the Cold Moon Goddess is pale: "I can't hold it anymore." The

Holy Yang Goddess bit her lips, and her delicate face could not hide her anxiety: "Hua Zhao Niangniang is really too insidious, and she actually deployed so many formations near this enchantment. "

Uh...

Seeing that they were still in the mood to complain at this time, Yue Feng was a little crying and laughing: "Before the next wave of Xuan Thunder falls, let's rush out, otherwise it will be too late."

Hearing this, the two goddesses nodded one after another.

Buzz.....

However, at this moment, a strong fluctuation of divine power came from the sky behind him.

Yue Feng and the three quickly looked back, and when they saw it, their faces changed greatly.

I saw that tens of thousands of divine soldiers and gods would flock to the scene, sealing the retreat in the blink of an eye.

The leading several divine generals, dressed in golden armor and majestic, were none other than the Tiankui Divine General, as well as the Tianwei Divine General.

And in front of them, suspended a luxurious glazed throne, on the top of the throne sat a graceful and charming figure, dressed in a gorgeous robe, indescribably graceful and magnificent.

It was Hua Zhao Niangniang.

Obviously, the formation near the enchantment just now was touched, and at the same time, it also touched some kind of mechanism, and when Hua Zhao Niangniang learned the situation, she quickly led her subordinates to rush over.

Swish!

In an instant, the gazes of tens of thousands of divine soldiers and divine generals converged on the three of Yue Feng.

Especially Hua Zhao Niangniang, at this time, looking at Yue Feng wearing a divine weapon armor, her delicate face was suddenly extremely ugly, and she said angrily: "Yue Feng... It's really you!

At this time, Hua Zhaoniang could not hide her anger.

Before suspecting that Haotian was fake, Hua Zhaoniang thought of Yue Feng, after all, the entire God Domain, and even the Kyushu Continent, only Yue Feng had this ability, and now seeing him, he was naturally angry.

It's over, it's over.

Faced with the situation in front of him, Yue Feng secretly became anxious.

However, Yue Feng quickly calmed down and smiled at Hua Zhao Niangniang: "Niangniang, I haven't seen you for a long time!" Seeing

his cynical attitude, Hua Zhao Niangniang was even more angry, and immediately said coquettishly: "Good you Yue Feng, you dare to tease this palace, this palace will never spare you." When

she thought of inviting him to drink in the palace at that time, Hua Zhao Niangniang couldn't express her shame.

More importantly, after getting drunk at that time, she also told him many secrets.

Seeing this, the Holy Yang Goddess and the Cold Moon Goddess couldn't help but look at Yue Feng curiously, what happened between this Yue Feng and Hua Zhao Niangniang, so that Hua Zhao Niangniang was so embarrassed?

Hehe!

Facing Hua Zhao Niangniang's shame, Yue Feng did not panic at all, and said with a smile: "Where did Niangniang say this?" I just came to God Online, when did I tease you?

When

he said this, Yue Feng's eyes were full of playfulness.

"You..."

At this moment, Hua Zhao's face turned red and she was extremely embarrassed, and she didn't know how to refute for a while, how could so many subordinates present tell the story of drinking that night?

If it is exposed at this time, how will he see people in the future?

Seeing that Hua Zhao Niangniang had nothing to refute, Yue Feng's mood was indescribably cheerful.

Finally, Hua Zhao Niangniang reacted, and was too lazy to calculate with Yue Feng at that time, and said coldly: "This palace is too lazy to talk nonsense with you, in short, you are in trouble today." Saying

that, Hua Zhao Niangniang looked at the two goddesses again: “Shengyang, Cold Moon, this palace treats you well, at that time, we sincerely invited each other, you don’t appreciate it, and now you are still mixed with Yue Feng.”

“The main palace will give you another chance now, surrender to the main palace, and forget the previous unpleasantness.”

The tone is soft, but the aura around him is strong and unquestionable.

“Okay!”

As soon as the words fell, the Cold Moon Saint Girl immediately said coldly: “You are less pretentious, Shengyang and I will not support you, in terms of ability, you are not qualified to control the God Domain at all.”

The Holy Yang Goddess followed and said, “Yes, you have evil intentions, in order to expand your own power, you dare to deploy the enchantment in the place of Master Venerable’s retreat, how can we join you in the filth?” The

words were argued with reason and sounded.

Swish!

Hearing the rebuttal of the two goddesses, Hua Zhao Niangniang’s face was cold, and she was so angry that she immediately said coldly: “Good, good, since you are obsessed, then don’t blame the main palace.” When

the words fell, Hua Zhao Niangniang said coldly to the Tiankui God General behind her: “Kill them.”

“Obey!”

The Tiankui God General answered, and then raised his hand and ordered the surrounding divine soldiers: “Release arrows.” “

Huh.

After receiving the order, tens of thousands of divine soldiers opened their bows and arrows, aiming at Yue Feng’s three, and in an instant, ten thousand arrows fired in unison, shooting overwhelmingly.

Tens of thousands of feather arrows burst out in unison, and their power was amazing.

Yue Feng and the three were originally resisting the Xuan Thunder Array, and at this time, they were almost unable to withstand it, and when they saw thousands of feather arrows bursting out, their hearts were inevitably a little nervous.

It's over, some of them are doomed now.

But soon, Yue Feng was the first to react, gritting his teeth and saying, "Follow me!" Saying that, he urged the figure and rushed along the edge of the enchantment towards the north of the Huang Mountain Range.

Just now, Yue Feng had planned to rush out of the formation and withdraw from the enchantment area, but now the retreat was completely blocked by Hua Zhaoniang's men, and if he wanted to survive, he could only go to the depths of the Huang Mountain Range.

Swish...

At this moment, the Holy Yang Goddess and the Cold Moon Goddess hesitated a little and hurried to follow Yue Feng.

They didn't want to have too much to do with Yue Feng, but now the situation was extremely critical, so they could only take a risk with Yue Feng.

Buzz

In an instant, where Yue Feng and the two goddesses passed, the hidden formations were touched one after another.

At this moment, tens of thousands of feather arrows burst out, and as a result, they encountered the powerful power of the formation and were shocked one after another.

Damn it!

Seeing this scene, Hua Zhao Niangniang's delicate face was full of anger, these formations were originally deployed to trap the intruders, but now they have become a protective barrier for Yue Feng's three.

Yue Feng's three people were very fast, avoiding the siege of the formation, and reached the edge of the north of the enchantment, and in the area in front of them, the hurricane was raging, and it was completely unclear to see the situation.

Call!

Seeing this scene, Yue Feng hesitated and immediately rushed in.

In today's situation, there is no way back, and it is better to fight than to be caught by Hua Zhao Niangniang.

Seeing Yue Feng rushing into the hurricane, the Holy Sun Goddess and the Cold Moon Goddess hesitated slightly, and also followed, and in the blink of an eye, the three figures disappeared into the hurricane.

“What are you still stunned about?”

At this moment, Hua Zhao Niangniang was extremely angry, and shouted at the Tiankui God General: “Rush over, catch the three of them, live to see people, die to see corpses.”

At this time, Hua Zhao Niangniang was very angry.

In this case, he could still let Yue Feng and the three escape, if the matter was spread, where would he put his face?

“Sissy!”

At this moment, Tiankui Shen’s face was full of embarrassment, and he said carefully: “The north of the enchantment is a hurricane area, and it is extremely dangerous inside, Yue Feng three just resisted the Xuan Thunder Array, consumed a lot of divine power, and it is absolutely impossible to survive after entering.”

“Therefore, the subordinates suggest that we do not need to enter rashly, in case we enter, I am afraid that there will be unnecessary casualties.”

Hearing this, the other gods around them also nodded in agreement.

Hearing this, Hua Zhao Niangniang took a deep breath, her face was gloomy, and her heart was even more angry.

Damn, could it be that Yue Feng and the three escaped?

A few seconds later, Hua Zhao Niangniang calmed down and said coldly: “Tiankui, leave some of them to stay here, and the others will go back with the main palace!” “Although I am very unwilling, there is no other way.

After all, the Tiankui God General was right, the hurricane area north of the enchantment, the terrain is complex and dangerous everywhere, and he rashly sent troops to command the apprentices to increase casualties.

“Yes, sissy!”

A few minutes later, hundreds of divine soldiers remained behind, and Tiankui God would return with the others and Hua Zhao Niangniang.

.....

On the other side, the West Cangcontinent.

After Tian Buyou established the Martial Alliance, he controlled more than a dozen sects, large and small, and knew almost all about the rivers and lakes of the entire Xicang Continent.

In this case, the experts of the rivers and lakes who came to the Xicang Continent to investigate Tian Buyou’s whereabouts were known by Tian Buyou in advance before they found out Tian Buyou’s whereabouts, and then sent someone to kill them secretly.

In just a few days, as many as hundreds of experts in the rivers and lakes were secretly killed.

Prime Minister’s House.

Tian Buyou was very happy to get these news, and he couldn’t help nodding and admiring at this time: “Very, very good!”

Tong Qing

next to him hurriedly fawned: “This also depends on the wise decision of the adult.”

Saying that, Tong Qing thought of something: “By the way, I just got the news that Elder Zang Feng of the Danzong has just arrived in the imperial city, and I guess he should have come to investigate the death of his disciples.” “

Elder Zang Feng?

Hearing this, Tian Buyou’s face was full of disdain: “This matter, you go and do it, remember, do things sharply.” “I am not even afraid of Zheng Chunqiu, the Sect Master of the Dan Sect, and an elder of Zang Feng will naturally not put it in his eyes.

“Yes, my lord.”

Tong Qing answered, and then strode out of the hall.

.....

At this moment, on the north road of Huangcheng Street, a figure came slowly, dressed in a cyan robe, with a good temperament, and seemed to be out of place with the ordinary people around.

It was Elder Danzong Zangfeng.

In the past few days, the disciples who came to the Xicang Continent to investigate the situation have mysteriously disappeared one after another, and Zheng Chunqiu learned of the situation and immediately sent Elder Zang Feng to investigate.

Elder Zang Feng probed all the way, and finally locked his eyes on the Western Cang Imperial City.

Those disciples all disappeared near the Imperial City, and it was obvious that they were behind the scenes, and they were within this Imperial City.

It was still early, Elder Zang Feng found an inn and rested, after all, this is the Xicang Imperial Palace, full of imperial city guards, and it is very inconvenient to investigate during the day.

Elder Zang Feng thought about it, first rest during the day, and then come out at night to investigate.

However, at this time, Elder Zang Feng did not know that his every move had been completely monitored.

Time flickered into the evening.

Rustling...

The inn was silent, and suddenly, there was a slight sound of footsteps on the roof, this footstep was very light and light, but it was still clearly heard by Elder Zang Feng.

“Who?”

For a while, Elder Zang Feng suddenly opened his eyes, scolded, and then broke through the window.

As soon as I arrived outside, I saw a black shadow rushing towards the distance, this black shadow was masked, obviously it was not a good comer, Elder Zang Feng did not have time to think about it, and immediately urged the figure to chase after him.

In the blink of an eye, the two of them arrived at a forest on the western outskirts of the imperial city, and the black shadow suddenly stopped and looked back at Elder Zang Feng approaching.

Call!

Elder Zang Feng slowed down, looked at the man in black tightly, and said coldly: “Who are you, and what is the purpose of hiding on the roof?”

“Hey, hey!” The man in black laughed evilly and said slowly, “Elder Zang Feng, you don’t need to ask who I am, I can tell you that your missing disciples of the Danzong were all killed by us.” The

tone was calm, but full of arrogance.

Swish!

Hearing this, Elder Zang Feng’s face sank, and he was furious: “Who are you? The man in black smiled coldly and did not respond, but clapped his hands.

Crash.

The applause fell, and dozens of figures rushed out of the woods, quickly surrounding the elders of Zang Feng. I saw that these people were also covered with faces, bare eyes, flashing with a sinister aura, and none of them were weak.

Obviously, this is premeditated.

The ultimate husband in Chinese chapter 6985—Faced with this situation, Elder Zang Feng tried to calm himself down and looked at the black-clothed man in the lead: “You... Is it Tian Buyu’s person?”

He is not a fool.

In the past few days, the disciples who came to investigate Tian Buyou’s whereabouts have mysteriously disappeared one by one, and at this time, they have also been ambushed, and it is obvious that these people in black were all sent by Tian Buyou.

Hehe!

In the face of questioning, the leading man in black did not respond, sneered, and then waved his hand: “Kill him!” “

Boom!

Hearing the order, dozens of black-clothed people around them burst out their internal forces in unison and rushed towards Elder Zang Feng.

Call!

Seeing the dozens of black-clothed men rushing towards him, Elder Zang Feng took a deep breath, did not hesitate for a moment at this time, pulled out his long sword, and urged the internal force to meet the attack.

Bang bang...

In the blink of an eye, the two sides fought fiercely together, and they saw that Elder Zang Feng's sword technique was flexible and flowing, and under the siege of dozens of men in black, he did not fall behind in the slightest.

Seeing this scene, the man in black at the head had a hint of evil at the corner of his mouth: "It is worthy of being an elder of the Danzong, the strength is really strong, but unfortunately, today you touched us." When

the words fell, the man in black at the head took out a black pill and flicked his fingers.

Shout: The

pill burst out of the air and shot straight towards Elder Zang Feng.

Hearing the movement, Elder Zang Feng instinctively swung his long sword, instantly shattering the black pill.

Bang....

The moment the black pill shattered, a cloud of green smoke erupted.

Seeing the smoke, the dozens of black-clothed men who were besieging were all looking jealous, and immediately retreated, and at the same time took out the pill and swallowed it.

Obviously, the smoke that erupted from the black pill contained highly toxic.

Worst!

Seeing this scene, Elder Zang Feng was taken aback, and quickly held his breath, but he was still a step slower, and the black pill exploded in front of him, and he had already inhaled a lot at that time.

"Kill!"

At this moment, the surrounding black-clothed men burst out into a howl and rushed up again.

Elder Zang Feng gripped his long sword and was about to continue to meet the enemy, but suddenly, he was dizzy, and then his body was weak and weak, and he couldn't urge it at all.

What kind of poison is this? turned out to be so violent

"Go and die!"

At this moment, the man in black at the head suddenly roared, rushed over from behind, and slapped a palm on the back of Elder Zang Feng.

He heard a dull, Elder Zang Feng wow, spurted out a mouthful of blood, and the whole person was also shocked back more than ten steps.

Before he could stabilize his figure, the black-clothed men around him took the opportunity to rush up, drawing long knives and slashing at Elder Zang Feng....

Blood came out instantly.

Poof!

At this moment, Elder Zang Feng only felt that his strength was suddenly emptied, extremely weak, and directly half kneeled on the ground.

Seeing this scene, the leading man in black was full of contempt, slowly walked to him, looked at Elder Zang Feng condescendingly, and said coldly: "With this bit of strength, dare to investigate the situation?" Elder Zang Feng, it's time to hit the road.

Saying that, the man in black lowered his voice: "You won't be able to live right away, I'll tell you, the person you are looking for is in the Prime Minister's House." "

Yikes!

When the last word fell, the man in black raised his long knife and quickly slashed at Elder Zang Feng's neck.

This sword was extremely fast, and Elder Zang Feng was extremely weak at this time, and he couldn't dodge at all, and he was shocked and angry at that time.

It's really unwilling to die like this.

"Snap!"

Seeing that Elder Zang Feng's head was about to be cut off, suddenly, there was a loud chirping sound in the distance from high in the sky, and then two big birds appeared in everyone's sight.

It was two golden eagles.

Two giant eagles, covered in golden feathers, reflect dazzling golden rays in the sunlight, and on their backs, a man and a woman sit respectively.

Although far away, everyone clearly saw that the man sitting on the back of the giant eagle had a tall figure, a knife-like face, an indescribable cold and handsome, and a strong aura around him.

The woman sitting on the back of another giant eagle has a graceful figure and delicate facial features, just like a fairy under the ordinary, which makes people look at it and be deeply intoxicated.

It was Yue Wuyue and Hai Linger.

The two giant eagles were the two golden-winged Azure Eagles that Yue Wuyue had obtained before. At that time, it was only a hatchling, but now a few months later, the two eagles have reached adulthood.

At that time, Yue Wuyue was in retreat to cultivate, and he did not pay attention to it, after all, his father Yue Feng had returned, even if it was a big thing, his father could easily deal with it.

As a result, Yue Feng had just returned a few days before he went to the Divine Domain.

Immediately afterwards, in the process of pursuing Tian Buyou, many of the disciples of Tianmen mysteriously disappeared. This made Yue Wuyue realize that something was wrong, as the Sect Master of the Heavenly Gate, he naturally would not stand idly by.

So, Yue Wuyue and Hai Ling'er tracked down the situation all the way to the vicinity of the Western Cang Imperial City, and happened to run into the besieged Elder Zang Feng.

Swish!

Almost in the blink of an eye, two golden-winged Cangyu eagles supported Yue Wuye and Hai Ling'er, quickly descended down, and set off a strong wind throughout the forest.

In an instant, dozens of black-clothed people instinctively retreated, and their eyes were even more vigilant as they looked at Yue Wuya.

Boom!

Feeling the powerful aura that permeated Yue Wuya's body, dozens of people in black secretly took a deep breath, and a trace of jealousy came out of their hearts.

But in the next second, when his gaze fell on Hai Linger, whether it was the leading man in black or the accomplices around him, his eyes lit up and he was deeply obsessed.

Beauty! It's beautiful.

Today's Hai Linger is wearing a dark blue long skirt, long hair like a waterfall, skin like condensation, with that delicate facial features, graceful body, like the nine heavenly goddess, full of fairy energy.

What a beautiful woman.

Is this a heavenly daughter?

Just when everyone secretly sighed, Yue Wuya was taken aback when he saw that it was Elder Zang Feng: "Elder Zang Feng? How are you? You okay? Because

of the relationship between Yue Feng and Zheng Chunqiu, Tianmen and Danzong have always had a close relationship, and Yue Wuya naturally knew Elder Zang Feng. At this time, seeing his face pale and very weak, Yue Wuye was both concerned and furious.

"Elder!"

The moment the words fell, Hai Linger couldn't help but call, and quickly walked over to check on Elder Zang Feng's situation.

Worst! We know each other.

Seeing this scene, the leading man in black reacted, and his heart couldn't help but feel a little nervous, and he looked at Yue Wuya vigilantly: "Who is Your Excellency?" While

asking, he did not forget to hint at his accomplices.

After receiving the signal, the surrounding black-clothed people understood one after another, and quickly dispersed, surrounding Yue Wuya and Hai Linger.

Faced with the situation, Yue Wuya's heart did not fluctuate a little, as the Lord of the Heavenly Gate, he had also experienced many big scenes over the years, naturally he would not put these people in front of him in his eyes, and immediately spit out a few words.

"Heavenly Gate, Yue Wuya."

When he said these words, Yue Wuya's tone was indifferent and his voice was not loud, but to the people in black around him, it was like a thunderbolt.

What the?

He is the current sect master of the Heavenly Gate, Yue Feng's son, Yue Wuya?

In an instant, the entire forest was as silent as death, and a needle could be heard clearly.

"Who are you?"

Yue Wuya was also too lazy to talk nonsense, and said coldly: "The courage is not small, dare to besiege Elder Zangfeng of the Danzong." Phew

!

In the face of questioning, the leading man in black couldn't help but panic a little, but quickly calmed down and responded: "It's more and more Sect Master Yue, it's disrespectful."

Saying that, the man in black pointed at Elder Zang Feng: "This is a private matter between us and him, and it's better for Sect Master Wangyue not to interfere."

When

he spoke, the man in black's eyes seemed calm, but his heart was panicked. At this time, I just wanted to find a reason to split Yue Wuya.

Personal?

Hearing this, Yue Wuya frowned.

At this moment, the weak Elder Zang Feng spoke, "Sect Master Yue, they are Tian Buyou's people, don't let them go." Ahem...."

Before the last sentence was finished, Elder Zang Feng coughed violently, and his face turned pale.

At this time, Elder Zang Feng, the poison had completely spread in his body, and the situation was extremely critical.

“Elder!”

Seeing this, Hai Linger’s delicate face was full of worry: “Don’t open your mouth first, I’ll help you suppress the poison in your body.” Saying that, the jade hand was attached to the back of Elder Zang Feng, helping him suppress the poison.

Oops, identity exposed.

At this moment, seeing Elder Zang Feng say his identity, the face of the black-clothed man led by him changed greatly, and his heart was nervous, and at the same time he was a little regretful.

I already knew this, I shouldn’t have told Elder Zang Feng the truth so quickly just now.

Swish!

Yue Wuya’s face suddenly became gloomy, and he locked on the man in black present, and his tone was serious: “Where is Tian Buyou?” Honestly, maybe I can spare your lives. The

men in black present looked at each other, and although they were a little panicked in their hearts, they were not frightened by Yue Wuya’s momentum.

After all, these people were all dead soldiers specially trained by Tong Qing. Even in the moment of life and death, there will be no betrayal.

“Huh!”

Finally, the leading man in black reacted and sneered at Yue Wuya: “Sect Master Yue, since you know it, we don’t have anything to say. The

words fell, and the leading man in black waved his hand.

“Kill!”

After receiving the order, the black-clothed people who surrounded them did not hesitate for a moment, howled one after another, brandishing their long knives and attacking towards Yue Wuya.

The strength of these black-clothed people is not low, and they broke out together at this time, and the power is very amazing.

However, Yue Wuya's face was full of contempt: "A bunch of rabble, you still want to start with me?" Buzz

!

When the words fell, Yue Wuya's strength erupted, and his figure flashed, rushing directly and fighting fiercely with dozens of men in black.

Seeing the situation here, Hai Linger did not panic at all, and concentrated on helping Elder Zang Feng suppress the poison. She was well aware of Yue Wuya's strength, and although the strength of these black-clothed people in front of her was not weak, it was completely impossible to hurt Yue Wuya.

Bang bang bang...

For a while, he saw Yue Wuya like a fierce tiger descending a mountain, waving his palms, bursting out one after another extremely strong aura, and every time his palm fell, a man in black must be shocked and flew out.

In less than a few breaths, more than a dozen men in black were repulsed by Yue Wuya, and one by one, their faces were miserable, and they had no power to fight again.

Marde!

Seeing this scene, the leading man in black was furious.

This Yue Wuya's strength is simply terrifying.

What to do? Did today's plan just fail? It doesn't matter if the plan fails, the key is to expose the identity of the owner, which is what matters.

Thinking about it, the leading man in black saw Hai Linger, and immediately had a plan, and shouted: "Quick, you guys kill this woman first." Hai

Linger's strength was weaker than Yue Wuya. It should be easy to deal with.

The man in black knew that in the current situation, it was not an easy task to kill Hai Linger, but after all, she was Yue Wuya's favorite woman.

As long as he hurt Hai Linger, Yue Wuya would definitely be flustered, and at that time, he might have a chance.

Swish!

Hearing the order, several men in black immediately left the battlefield and rushed towards Hai Linger instead.

At this time, Hai Ling'er was helping Elder Zang Feng suppress the poison, and when he saw several men in black rushing towards him, a trace of panic suddenly flashed in his eyes.

These people are really cunning and actually came to deal with me.

At this time, Hai Linger really wanted to meet and fight with several men in black, but this was the critical moment to help Elder Zang Feng suppress the poison.

Anxious in her heart, Hai Linger quickly calmed down.

“You guys are looking for death!”

At this moment, Yue Wuya also shouted angrily, his eyes blood-red: “Anyone who dares to touch my family, I will not let any of them go.” Daikin, Erjin, kill them.

He was entangled by the man in black in front of him, and there was no time to rescue Hai Linger.

However, Yue Wuya's heart was not half panicked, but full of killing intent. And the last sentence that roared out was the order issued to the two golden-winged sky eagles.

The two golden-winged Azure Eagles were raised by Yue Wuye and Hai Linger since childhood, and they were loyal. Yue Wuya treated them with great care, and also gave them names, called Dajin and Erjin respectively.

“Tweet!”

At this moment, hearing Yue Wuya's order, Dajin Erjin let out a loud chirp, and then his wings flared, like a golden sword burst out.

At the moment of the outbreak, the big gold two golden claws waved, and I saw the electric light raging, instantly shrouding several black-clothed people who rushed towards Hai Linger.

What the?

Will this golden eagle also attack lightning?

For a time, several men in black were reventant, and they didn't have time to react at that time, and they were shrouded in that lightning. There was an immediate howl.

Immediately afterwards, Dajin Erjin roared, claws waved, and several black-clothed men who were still raging in thunder and lightning, immediately blood flowed, fell apart, and died tragically on the spot.

Hiss!

Seeing this scene, whether it was the leading man in black or those around Yue Wuya, all of them were earth-colored, secretly gasping for air.

These two golden eagle attacks are too strong, how else to fight this?

Especially the man in black who led the way, cold sweat broke out on his forehead at this time, and his heart was also completely desperate.

I thought of letting my companions restrain Hai Ling'er in order to blackmail Yue Wuye into compromise, but I never expected that the strength of the two golden eagles was far beyond imagination, and it only took the lives of several companions in the blink of an eye.

Bang bang.

At this moment, Yue Wuya took advantage of the enemy's stunned expression, and when his palms came out together, he heard a dull sound, and the black-clothed people who surrounded him did not have time to scream, and all fell in a pool of blood.

Killing the surrounding enemies, Yue Wuya's gaze locked tightly on the leading man in black, and said word by word: "Where is Tian Buyou?" When

the words fell, Yue Wuya's body was filled with monstrous killing intent, approaching step by step.

Boom.

Feeling Dayue Wuya's powerful aura, the man in black led by him secretly swallowed his spit, where was he calm down at this time? There was panic and despair.

In the blink of an eye, Yue Wuya walked over and said coldly, "Say, where is Tian Buyou?"

“I...”

The man in black at the head said a word, and his face showed a bit of determination: “You don’t need to rush to find my master, one day, he will take the initiative to find you.”

“The master will definitely avenge us.”

The last word fell, and the man in black quickly took out a pill from his body, threw it into his mouth and swallowed it.

Suicide by taking poison?

Seeing this scene, Yue Wuya was shocked and angry, and he was about to block it immediately, but he was still one step slower.

“Cluck...”

The moment he took the poison, the face in black was distorted, and there was a grunt in his throat, and then in his mouth, nostrils, eyes and even ears, blood flowed out, and he fell to the ground and died.

Nima!

At this moment, Yue Wuya was extremely furious, he never expected that these people would be so deeply seduced by Tian Buyou that they would rather die than say where he was hiding.

Ben also wanted to grab a living one and ask Tian Buyou’s hiding place, but he was caught off guard.

Depressed, Yue Wuyue turned around and walked towards Hai Linger.

I saw that Elder Zang Feng at this time was still extremely weak, and although Hai Linger helped suppress the poison in his body, his face was still extremely pale and dying.

“Ling’er!”

When he arrived, Yue Wuya couldn’t help but ask, “How is the situation with the elder?”

Hai Linger sighed lightly, and her delicate face was full of sorrow: “The poison among the elders is very strange, it can only be suppressed, but it cannot be removed. The antidote has to be found.

When

she said this, Hai Linger’s eyes showed a little helplessness.

These men in black are all dead, and it must be impossible to ask for an antidote.

Hearing this, Yue Wuya's heart was very heavy, but he still exhorted: "Don't panic!" We can definitely find the antidote. Saying

that, Yue Wuya searched the bodies of the black-clothed people around him, one by one, but after all the searches, no antidote was found, obviously, the antidote was not on these black-clothed people.

If you want to save Elder Zang Feng, you must find Tian Buyou.

However, these men in black are all dead, where to find Tian Buyou?

"Poof..."

Just when Yue Wuya was anxious, Elder Zang Feng, who had always been calm, suddenly trembled, a mouthful of black blood spurted out, and his originally miserable white face was also extremely withered, and only his last breath remained.

"Elder!"

"Elder, hold on."

Seeing this scene, Yue Wuya and Hai Linger were both taken aback, and they exclaimed in unison.

The ultimate husband in Chinese chapter 6989—Under the exclamation, Yue Wuya quickly squatted down: "Ling'er, try again, let's help the elder dispel the poison together!" Saying

that, Yue Wuya used his internal strength and prepared to expel the poison with Hai Linger.

"No..."

However, at this moment, Elder Zang Feng shook his head, and his weak and pale face showed an indifference that saw through life and death: "Don't you two be... Waste inside... Internal strength..."

At this time, Elder Zang Feng, the poison had spread to his internal organs, and he was still in a state of running out of oil, and he didn't say a word, as if he had exhausted his whole body's strength.

Alas!

Hearing this, Yue Wuya and Hai Linger looked at each other, and their hearts were extremely uncomfortable.

I thought that I would happen to meet him and save his life, but I didn't expect that the enemy's poison was so domineering, and in the end, I couldn't do anything.

"Poof..."

At this moment, Elder Zang Feng trembled again, and his bloodshot eyes gradually lost their brilliance.

Seeing him like this, Hai Linger finally couldn't help it, and tears burst out of her eyes.

Yue Wuya's eyes also turned red, and he said astringently, "Elder, don't worry, I will definitely help you take revenge." By the way, have you detected Tian Buyou's hiding place? Hearing

this, Elder Zang Feng's gaze was gloomy, suddenly radiant, and he opened his mouth to say it, but he had no strength to speak, so he could only tremble his fingers and slowly write on the ground.

Swish!

At this moment, Yue Wuyue and Hai Ling'er's gazes converged on Elder Zang Feng's hand.

I saw that he was crooked and very laboriously wrote the first word 'Cheng'!

Seeing this, Yue Wuyue was both excited and sad.

When you find Tian Buyou, you must torture him well, otherwise, it will be too cheap for him.

Thinking about it, Yue Wuya continued to lower his head, wanting to see what Elder Zang Feng would write next.

However!

After writing a word, Elder Zang Feng took his last breath, his arm sank, and he completely closed his eyes.

"Elder!"

At this moment, Yue Wuya's heart trembled, and he couldn't help but call, and the tears finally couldn't be held back and slipped down his face.

Hai Linger next to her was also heartbroken.

Although they did not meet much with Elder Zang Feng, they also knew that Elder Zang Feng was just and chivalrous, and before the Heavenly Gate encountered hardships and twists and turns, Elder Zang Feng spared no effort to help, and now seeing him die tragically, Yue Wuya and Hai Linger could not hide their grief.

For a while, neither of them spoke, silently guarding next to Elder Zang Feng's corpse, quietly mourning.

I don't know how long it took, the two came back to their senses and buried Elder Zang Feng deep in the woods, speaking of which, Yue Wuya had planned to send Elder Zang Feng's body back to Danzong.

It's just that the poison in the Zang Feng Elder's house is too domineering, and the corpse is full of poison, which is very inconvenient.

"Brother Wuya!"

After burying Elder Zang Feng's body, Hai Linger couldn't help but speak, "What is the purpose of the words written by Elder just now?" As she spoke, Hai Linger frowned, trying to deduce some clues, but she had no clue.

Call!

Yue Wuya took a deep breath, thought for a while, and said, "Could it be a person's name?" With a word in it?

"Or maybe Tian Buyou changed his name and surname?"

Saying that, Yue Wuya shook his head, and his heart was in turmoil.

Seeing that he also had no clue, Hai Linger gently persuaded: "Forget it, let's not think about it first, this character must be related to Tian Buyou, let's go to the imperial city to investigate, maybe there will be clues." Hmm

!

Yue Wuya nodded, and now it can only be like this.

Immediately, Yue Wuya whistled, letting the two golden eagles temporarily find a place to roost in the wild, and then went to the imperial city with Hai Linger to investigate the situation, the two golden eagles were too eye-catching to be carried.

.....
On the other side, the Divine Domain, deep in the ancient mountain range.

Yue Feng and the two goddesses had just rushed into the hurricane area, and they regretted it at that time.

The area in front of me before, under the ravages of the hurricane, was dark, and nothing could be seen clearly, and the hurricanes hit like countless knives, which was very uncomfortable.

“Two!”

At this time, Yue Feng covered his face with his hand, and while slowly moving forward, he asked the Holy Sun Goddess and the Cold Moon Goddess behind him: “How big is this hurricane area?” When are we going to go before we can go out? ”

The ultimate husband in Chinese chapter 6990—In Yue Feng’s subconscious, the two goddesses were both apprentices of the Hong Wilderness Old Ancestor, and the Hong Wilderness Old Ancestor was practicing in retreat here, they should be familiar with this area.

As soon as the words fell, the Cold Moon Goddess responded angrily: “Who knows when to go out?” “

Uh...

Touching a soft nail, Yue Feng was a little embarrassed.

At this time, the Holy Yang Goddess seemed to see Yue Feng’s thoughts, and couldn’t help but say: “Although Master Venerable is here for retreat, we rarely come, so we are not very familiar with the environment here!”

Then, the Holy Yang Goddess thought for a while and continued, “However, this place, since the beginning of the division of heaven and earth, has existed, and it is the most dangerous place in the Divine Domain. At that time, Master Venerable warned us that we must not break in unless we have a last resort.

When

she said this, the delicate face of the Holy Yang Goddess showed a bit of solemnity.

What the?!

Hearing this, Yue Feng's face changed, and he suddenly wanted to cry without tears, and even the ancestor of the Hong Wilderness reminded that the dangerous place must be extraordinary.

At this moment, the Cold Moon Goddess couldn't help but say, "Shengyang, what are you doing with him so much?"

Immediately, the Cold Moon Goddess glanced at Yue Feng coldly: "I tell you, there is danger everywhere here, let's take care of each other, and when we really encounter trouble, don't expect us to save you." The

words were full of disgust, as if Yue Feng was a drag oil bottle.

Groove!

Feeling the contempt of the Cold Moon Goddess, Yue Feng was stunned at first, and then felt a little displeased in his heart.

How do you say this, I'm a burden?

For a while, the more Yue Feng thought about it, the more hot he became!

Just now, I didn't let you act rashly and break the enchantment, but you didn't listen, and as a result, the formation was triggered, which caused everyone to flee, and now you dislike me?

Sure enough, the goddess is the same, there is no reason to talk about it at all.

Muttering in his heart, Yue Feng didn't bother to calculate, facing the hurricane, and continued to probe forward.

The two goddesses followed behind without slowing down.

I don't know how long I walked, I vaguely saw that not far ahead, there was a huge black shadow, for a while, Yue Feng and the three thought it was an exit, inexplicably excited.

In the excitement, the Cold Moon Goddess said coldly: "Yue Feng, when we go out, let's go our separate ways." "Okay

!"

Yue Feng was also not angry, showed a hint of a smile, and said slowly: "I'm afraid that the goddess will not be willing to let me go." "This Cold Moon Goddess is so cold and arrogant, Yue Feng really can't help it, so he wants to tease it.

Swish!

Seeing Yue Feng's cynical look, the Cold Moon Goddess had a cold face: "What do you say?" This

Yue Feng was really the same as the rumor, without the slightest seriousness.

Yue Feng accepted it when he was better, and said with a smile: "Your Excellency the goddess, don't be angry, just kidding." With that, he walked towards the huge black shadow.

The Cold Moon Goddess snorted coldly, and together with the Holy Sun Goddess, she quickened her pace to keep up.

This....

When he was about to arrive, Yue Feng saw the outline of the black shadow clearly, and he was immediately stunned.

The two goddesses in the back are also frowning.

I saw that the huge black shadow in front of me was not an exit at all, but a huge dead tree, the trunk was huge, I am afraid that dozens of people could not hold it, this huge dead tree, the whole body is dark, strange branches, permeated with a desolate and dead atmosphere.

And on the branch in the middle, squatting a huge monster.

This monster has an eagle's head, a human torso, sharp barbs on its limbs, a pair of black flesh wings on its back, a pair of eyes flashing scarlet light, and a black mist around it, as if it came out of hell.

Groove!

What is this thing?

Seeing this monster, Yue Feng felt an inexplicable panic in his heart, and at the same time he was a little curious.

And the Holy Sun Goddess and the Cold Moon Goddess trembled even more, and their faces were discolored.

Especially the Cold Moon Goddess, her eyes stared at the monster tightly, a little unbelievable, and at the same time, she also showed a trace of jealousy.

"This..."

Finally, the Holy Sun Goddess was the first to react, and her red lips lightly opened:
“This is a hammer?” When Master Venerable sealed it here, it didn’t even die? In

his words, he couldn’t hide his surprise.

Hammer?

Hearing this, Yue Feng slowed down and couldn’t help but ask, “What is it?” The name
of this monster? ”
