An understated Dominance – Dahlia and Dustin Chapter 1445

Connor Bryant lost, and he lost badly.

His huge body directly smashed a hole into the wall, and his upper body was embedded in it, unable to move.

From a distance, it looks like a painting hanging on the wall.

“ah?”

Seeing this scene, everyone was stunned.

All of them stared wide-eyed, their faces full of horror.

When Connor Bryant rushed forward fiercely, they thought they were sure of victory, but they didn't expect to be knocked away as soon as they met.

So much so that they still hadn't reacted.

“What happened just now? Brother Connor...actually lost?”

“How is it possible? Brother Connor is so strong, how could he lose to this kid?”

“Accident! It must be an accident!”

After a short silence, the audience was in an uproar.

No one expected such a result.

Connor Bryant was born with supernatural powers and was a master of horizontal training. His physical defense was so strong that he was considered invulnerable.

It's incredible that such a master couldn't even block Dustin's move.

“Snapped!”

The teacup in Liam Bryant's hand fell to the ground and broke into pieces.

The smile on his face completely froze, and he was no longer calm.

The situation in front of him was too unexpected.

The Bryant family's talented children who were ranked among the top three were defeated by Dustin with one move.

Underestimate the enemy? Or is the strength gap too big?

"Damn it! I knew this kid would be difficult to deal with!"

Ian Bryant swallowed, feeling a little scared when he thought of the previous scene where he was beaten violently.

The experiences of the two were very similar, but Connor Bryant was obviously injured more seriously.

It can be seen from this that when Dustin hit him before, he didn't use all his strength.

What a terrible guy!

"It's big, but it's useless, it's just a living target."

Dustin retracted his fists slowly, without any fluctuation in his expression, as if he had just done something trivial.

"Boy! What exactly did you use just now?!"

Liam Bryant suddenly stood up with a slap on the table, his eyes sharp.

Connor Bryant's body is invulnerable to swords and guns, and it is basically impossible for his peers to seriously injure him with a single punch.

So he suspected that Dustin must have used some kind of trick.

"Master Liam, I am willing to bet and admit defeat. Your Bryant family can't afford to lose, right?" Dustin said lightly.

“If you win with real ability, we will naturally be convinced, but your performance just now is obviously not normal.” Liam Bryant said coldly.

“If Liam Bryant doesn’t believe it, then send a few more people to try, or you can come together.” Dustin spread his hands.

“Be bold!”

“presumptuous!”

Hearing this, many Bryant family disciples yelled angrily.

Everyone was filled with righteous indignation, gearing up, wishing to tear Dustin into pieces.

This kid is so crazy that he doesn’t pay attention to them at all.

“Boy! You are playing with fire!”

Liam Bryant’s face darkened and his eyes became extremely evil.

The Bryant family is one of the four royal families, when was it provoked like this?

If you don’t kill the chicken to scare the monkeys today, I’m afraid it will be difficult to convince the public in the future.

“Master Liam Bryant, please finish the fight early. I’m really in a hurry.” Dustin said seriously.

“Since you want to play with fire and set yourself on fire, then I will fulfill your wish!”

Liam Bryant snorted coldly, then named a few martial arts masters in the crowd and ordered: “You guys come together and give this kid a taste of the power of our Bryant family!”

“yes!”

Several people immediately stepped out and greeted Dustin one after another.
