

An Understated Dominance By Marina Vittori

Chapter 1888

“Sneak attack? Is it useful?”

Ji Yuanzun shouted loudly, opened his bow left and right, and the spear and iron palm instantly burst out with hot red light, stabbing Dustin and the huge golden palm above his head respectively.

”Bang! Bang!”

Two loud noises.

Dustin was pushed back by a shot, and the golden palm shadow in the sky, under Ji Yuanzun’s blow, exploded like glass in an instant, turning into little golden lights and floating down.

Albert, who was hidden in the golden palm shadow, was thrown high into the air and fell back more than ten meters after landing.

On the other hand, Ji Yuanzun only took a few steps back and stabilized his figure.

In the case of a sneak attack, one against two can still gain the upper hand, which shows how strong it is.

You must know that both Dustin and Albert are powerful men at the Grand Master level, the group of people who stand on top of the world.

As a result, Ji Yuanzun could handle it easily without any pressure.

”The fifth strongest man on the world-stunning list is truly worthy of his reputation.”

Albert and Dustin stood side by side, staring straight at Ji Yuanzun in front of him.

I have to admit that the opponent is very strong. Looking at the entire West Lucozia, fighting alone, I am afraid no one can beat him.

"People slaughterer Albert?"

Ji Yuanzun narrowed his eyes and then sneered: "I have wanted to meet you for a long time, but unfortunately I never had the chance. Today is a good day, buy one get one free, wait until I kill Dustin, and then we will solve it. You, the Prince of West Lucozia will be seriously injured. At that time, I will take advantage of the opportunity and take full control of West Lucozia!"

"Really? Let's see if you have this ability!"

Albert snorted coldly and said directly. He took out a silver needle and stabbed it into the back of his head.

Like Dustin, he chose to use the Rhys Family's secret method to stimulate his potential and fight to the death.

He knew very well that under normal circumstances, it would be very difficult for the two of them to win and they would have to work hard.

Try to solve this serious problem in the shortest possible time.

"Oh? Are you starting to fight hard now? Okay, come on, let me see how much you weigh!"

Ji Yuanzun was not afraid at all. He shook his spear and his momentum rose again.

The whole person's beard and hair move automatically without wind, looking majestic, like a god descending into the world.

"Come together!"

Dustin winked at Albert, without any nonsense, raised his sword again and attacked.

Half of the time to activate his potential has passed, and every minute and second that follows is very precious.

It's so precious that you have to sacrifice your life to have a chance of survival.

"Haha...I haven't been so enthusiastic for a long time."

Albert laughed ferociously, his eyes overflowing with red light, and his whole body turned into a black shadow and attacked Ji Yuanzun.

Albert is famous for his split-bone hands, a pair of iron palms that have been hammered for thousands of times and are comparable to magical weapons.

Especially in close combat, Albert's fighting skills and understanding of the human body have reached the extreme.

"Well done!"

Faced with the siege of the two men, Ji Yuanzun advanced instead of retreating and faced them head-on.

He was seen holding guns in both hands, dancing crazily, and gun shadows spurted out instantly, like cannonballs, shooting at Dustin and Albert in a steady stream.

Dustin held the sword in one hand and used the sword's light to fight against the gun shadow. Albert's hands emitted bursts of milky white light and kept hitting the gun shadow.

"Bang bang bang bang..."

Before the two sides got close, there was the first collision in the air.

Waves of powerful energy surged in the form of explosions, sweeping around like waves.

Everywhere he passed, the ground was in chaos.

"Albert! It's useless to fight like this. Use your special move to resolve the battle as quickly as possible!"

After a confrontation, Dustin quickly realized the problem.

A collision of energy of this level cannot hurt Ji Yuanzun at all. If the fight continues, once the secret method expires, the two of them will have no choice but to die.

"Yes!"

Albert responded, and with a kick of his feet, he stood up from the ground and jumped to a height of 100 meters.

Following his body turn, he turned his feet upwards and his head downwards, facing Ji Yuanzun on the ground, and slapped him with his palm.

”Vajra Prajna Palm!”

Albert roared, and a dazzling golden light erupted from his body.

The golden light quickly transformed in the air, and finally turned into a huge angry-eyed King Kong, looking majestic.
