An Understated Dominance by Marina Chapter 1941

"What the hell..."

Just when Hulk was about to have a fit, a beast-like roar suddenly came from the front.

Taking a closer look, he found that Alexis Walters had rushed over ferociously.

It uses both hands and feet to run quickly. Every time it kicks on the ground, its nails will leave several deep marks on the ground.

The sharpness is comparable to a steel blade.

"Come here! Help me quickly! Don't let this monster get close!"

Hulk's expression changed drastically and he panicked.

Because the injury was so severe, he didn't even have the strength to stand up, so he could only drag his broken body and keep moving back.

"What the hell are you doing standing still? Do it quickly!"

Hulk suddenly turned around and yelled at Dustin with a ferocious look on his face.

However, Dustin didn't move at all, just watching quietly.

"Brother Dustin, don't act out of anger, Hulk cannot die!" Kevin Snow next to him was a little anxious.

"It has nothing to do with me." Dustin remained unmoved.

"That's all, it seems I have to take action!"

Seeing that Dustin was too stubborn, Kevin Snow shook his head helplessly and could only draw his sword himself to rescue Hulk.

Hulk's strength was even stronger than him. Even the opponent was not sure of surrendering Alexis Walters, and he was not sure whether he could do it?

"Roar!"

Attracted by the smell of blood, Alexis Walters ignored it and pounced on Hulk again.

"Don't kill me! Don't kill me!"

Hulk was so frightened that he screamed repeatedly. He covered his face with his hands, and his crotch was already wet.

Hulk was so frightened that he peed.

"You evil beast! Stop being so arrogant!"

Just when Hulk was about to be torn into pieces, Kevin Snow took action in time, stood in front of Hulk, and started a bloody battle with Alexis Walters.

Alexis Walters's physical fitness has been greatly strengthened. In a head-on confrontation, Kevin Snow is no match.

Fortunately, Alexis Walters had lost his mind, and his attacks had no rules. He didn't even know how to use his true energy, which gave Kevin Snow an opportunity to take advantage of.

Kevin Snow relied on his dexterity and the sword in his hand to barely restrain Alexis Walters.

However, Alexis Walters didn't know pain or fatigue. No matter how injured he was, he was still vigorous, and couldn't be beaten to death at all.

If the battle continues, once Kevin Snow is exhausted, defeat will only happen sooner or later.

"Come quickly! Carry Hulk away!"

Kevin Snow, while dealing with Alexis Walters's fierce attack, directed the disciples of the Golden Sword Sect to rescue Hulk.

"Help!"

The disciples of the Golden Sword Sect reacted quickly. Seeing that their senior brother had held Alexis Walters down, they immediately carried Hulk to a safe area and even gave him healing medicine.

However, after being rescued, Hulk not only showed no gratitude, but even yelled at Dustin: "Boy! How dare you harm me? You are damned dead! Your whole family is dead! When my master arrives, I will definitely I want to cut you into pieces! Kill all the friends around you and feed them to the dogs!"

"Really?"

Dustin's eyes turned cold and he said coldly: "It's a pity that you have no chance."

"You What the hell..."

Just when Hulk was about to yell a few words, a black light suddenly flashed and penetrated directly through his neck.

Hulk froze and his eyes widened.

The next second, his head fell to the ground.

Die with hatred!
