An Understated Dominance by Marina Vittori Chapter 2007

Strictly forbidden frowned and looked a little ugly: "That kid is secretive, super powerful, and unstoppable. If we dare to step forward to stop him, we may be killed on the spot."

Thinking of Dustin killing him with a sword . He couldn't help but be a little afraid of the majesty of the black dragon.

Fortunately, the other party didn't kill him before, otherwise he would have been a corpse.

"Of course we can't do it, but don't forget that there is a master behind us."

Thomas Grey lowered his voice and said maliciously: "This kid Dustin does have the strength of a martial arts master, but after all, he is just one person. We alone cannot make big waves. As long as our two major sects join forces, it will be easy to deal with this kid!"

Whether it is the Wandering Dragon Sect or the Flying Sect, there is a martial arts master in charge.

Secretly, there are many masters hidden.

Moreover, the masters of Stone Dragon Sect and Flying Sect are much stronger than Billy Ruso.

Once united, they are even more invincible.

No matter how powerful Dustin is, he can't stop the two ultimate Grandmasters, several half-step masters, and many innate masters.

"That's the truth, but our sect's masters haven't arrived yet, so how can we deal with Dustin?" Andrew Young rubbed his chin.

He was indeed unwilling to give in, but he was not strong enough and the sect's reinforcements were not present, so he could only stare from the side.

"Brother Andrew, I didn't say we should do it now."

Thomas Grey smiled conspiratorially: "Let Dustin and the others help us go in and explore first. When they find the treasure, we will follow them secretly and leave marks along the way. When reinforcements arrive, let's take the opportunity to make a sneak attack and take it down in one fell swoop!"

"Oh?"

Hearing this, Andrew Young couldn't help but his eyes lit up: "Brother Thomas is really quick in thinking, I didn't think of this level."

His mind was trembling just now, and his mind was in a state of confusion. Blank, unable to calm down and think at all.

"Brother Andrew, the authorities are obsessed with the onlookers. We don't have to do anything now. We just need to wait quietly. When the time comes, we will have the treasure. Our two major sects will add two to one to make five." Thomas Grey smiled evilly.

"Okay! Just do as you say!" Marcus Ringrose nodded heavily.

With their current strength, they really couldn't deal with Dustin.

But there is strong support behind them. Once the strong support arrives, they can definitely turn the tide!

"Hey! You two, stop muttering here."

At this time, Billy Ruso suddenly walked over and said with a serious face: "I'll give you a piece of advice, you'd better not mess with that young man named Dustin, because You can't afford to offend him at all. If you have any brains, you should let go in time and find another treasure." "

Senior Ruso, we can't afford to offend Dustin, but don't forget that there is a sect behind us." Thomas Grey was full of confidence.

"I can't afford to offend you, including your entire Stone Dragon Sect and Flying Sect!" Billy Ruso said in a solemn tone.

Others didn't know it clearly, but he knew how terrifying Dustin's sword was just now.

"Senior Ruso, what you said is a bit exaggerated, right?"

Thomas Grey squinted his eyes and said: "We admit that Dustin is powerful, but no matter how powerful he is, he is only one person, and our two major sects are like clouds of masters. To deal with him, It's effortless!"

"That's right!"

Strictly prohibited echoed: "As long as my master takes action on his own, it will be easy to deal

with that kid!" "Forget it, I'm just kindly reminding you, believe it or not."

Billy was too lazy to talk nonsense. Dragging his seriously injured body, he slowly left.

If Dustin is really in the realm of Grand Master, then not to mention the Wandering Dragon Sect and Flying Sect, even all the forces in the southwest combined will only be slaughtered.

The gap between the Grandmaster and the Great Grandmaster is like a chasm of thousands of miles!
