

## An Understated Dominance by Marina Vittori Chapter 2021

Chapter 2021

“You don’t have to fight. You can’t take away any of the treasures inside!”

Along with a burst of sneer, a large number of warriors swarmed in from the outside and quickly sealed the exit.

These warriors are divided into two groups, one group is the elites of Youlong Sect, and the other group is the elites of Feixue Sect, with some familiar faces among them.

It is strictly prohibited, and Thomas Grey is among them.

The most important thing is that the Youlong Sect and Feixue Sect not only doubled their numbers, but also gained many more masters.

The sect’s deacons, protectors, elders, etc. are all here.

It is no exaggeration to say that more than 80% of the strength of Youlong Sect and Feixue Sect have gathered here.

“Miss Margaret, we meet again!”

Thomas Grey said with a sneer, his eyes full of greed.

From the moment they entered the palace, the floor was filled with gold, silver and jewels, especially the treasures in the tomb, including the pool full of spiritual fluid, which was a huge temptation for them.

Even if they split it half with the Youlong Sect, the gains would be enough to transform the Feixue Sect into a world-famous sect.

“Everyone put down their weapons and hand over their jewelry. This will save your lives. If anyone dares to resist, we will kill them!”

Yan Jin stepped forward and pulled out the sword in his hand, looking fierce.

The masters from Youlong Sect and Feixue Sect have arrived, and he has nothing to fear now.

Even Dustin, he didn't take it seriously.

After all, no matter how powerful Dustin is, he is only one person, while the Youlong Sect and Feixue Sect combined have dozens of masters.

Most of them are Xiantian Dzogchen masters, there are also several half-step masters, and two martial arts masters.

Such a huge force, once united, would be enough to dominate the southwest!

"Damn it! All the masters from Youlong Sect and Feixue Sect have arrived. Now we are in trouble!" Leo Alexander frowned and looked a little ugly.

It was not easy to find these treasures, but before I had time to rejoice, someone was trying to steal my love. It was really unexpected.

"Senior Brother Snow, what should we do now?"

At this moment, Lily Zhang was also a little panicked.

If the baby is robbed, she alone will suffer the most loss.

However, she was now alone and weak, facing the masters of Youlong Sect and Feixue Sect, she had no ability to resist.

Even if Yuanyangmen's reinforcements arrive, they may not be able to turn things around.

"I didn't expect them to come so quickly. It's really God's will!" Kevin Snow frowned deeply and looked solemn.

With their current power, they would not be able to gain any advantage in a head-to-head confrontation with the Wandering Dragon Sect and Feixue Sect.

Unless the masters of the Golden Blade Sect provide timely support, only then can they be able to fight.

The problem is, they don't know how long they can hold on now. By the time the masters from the Golden Knife Sect arrive, the day lilies may be cold.

"Why, you don't think there's room for resistance, do you? If anyone doesn't accept it, you can come forward and try to see how many lives you have!" Yan Yan shouted with a glare.

"He who knows the current affairs is a hero. I advise you not to resist fearlessly. Swords are short-sighted. Don't risk your life for a little money." Thomas Grey said with a half-smile but not a smile.

"Miss Margaret, what should I do? Do you want to fight with them?" Leo Alexander asked in a low voice.

With Dustin, the master of martial arts, there might be a glimmer of hope for them.

"Don't be impatient. Let us talk to them."

Margaret took two steps forward and spoke loudly: "Seniors, we are all here to seek wealth. There is no need to go to war. In my opinion, we can share the treasure equally."  
.

"Split equally? Huh! Do you deserve it?!"
